Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

The El Dorado Charter SELPA is composed of local educational agency charters (LEAs) located inside and outside the geographic boundaries of El Dorado County. The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. It is the intent of the El Dorado Charter SELPA to provide options for charter schools in terms of SELPA membership. While it is always preferable for a charter school to participate with their geographic SELPA, the Charter SELPA has been developed to allow for a viable alternative for SELPA membership within the State of California.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

Upon entry into the Charter SELPA, the governing board for each LEA charter shall approve the Agreement for Participation and the Local Plan for Special Education. The Charter SELPA Local Plan is approved by the SELPA governing board (CEO Council) with review from the County Superintendent of Schools for El Dorado County.

Amendments to the Local Plan to revise LEA membership shall be approved through the process as identified in Charter SELPA policies.

The CEO Council will hold the required public hearings and approve the Annual Service Plan and the Annual Budget Plan.

As described within the Local Plan and adopted policies of the Charter SELPA, the Boards of Education delegates the ongoing policy-making process, the Allocation Plan process, and administrative procedures for carrying out that responsibility to the governance structure of the Charter SELPA.

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan:

The Charter SELPA CEO Council membership consists of the CEO or designee of each charter LEA member. Each charter LEA member has one vote. Organization partners that operate more than one charter school, may have a single representative for all schools operated, but such representative shall have a number of votes equal to the number of charter LEAs represented.

Charter SELPA CEO Council meetings are subject to California Open Meeting laws, specifically the Brown Act (Government Code 54950-54963), which requires that CEO Council members conduct business at properly noticed and agendized public meetings.

A majority of the LEAs present at a regularly scheduled and posted CEO Council meeting shall constitute a quorum.

The Charter SELPA CEO Council will meet regularly with the El Dorado County Superintendent of Schools and/or designee to direct and supervise the implementation of the Local Plan. The Council has exclusive authority to make and take all reasonable and appropriate steps to implement all decisions which may have a material effect on any and/or all Charter SELPA policies, practices, operations, organization, services, functions, and any other purpose related to the purpose for which the Charter SELPA is established. A minimum of two meetings per year will be held.

The Charter SELPA CEO Council is responsible to approve Charter SELPA policies and administrative regulations.

The Charter SELPA CEO Council is responsible to approve the Allocation Plan, which is the framework for distribution of funds within the Charter SELPA.

Material changes to the Local Plan, other than for membership changes, shall be approved by the Charter SELPA CEO Council and reviewed by the El Dorado County Superintendent of Schools.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan:

The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. 5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

Per CEO Council Policy 22, any charter school may apply to the Charter SELPA to become an LEA member of the SELPA. The Charter SELPA will establish an annual timeline for submission of applications. Once granted membership, the charter LEA will participate in the governance of the SELPA in the same manner as all other charter LEA members in the SELPA. The timeline for submission may be amended by the Charter SELPA RLA/AU Superintendent/designee for unique circumstances, including State Board of Education charter approvals. The applicant, not an expansion of an existing member, will be deemed a member of the SELPA upon approval of the Charter SELPA Selection Committee. The applicant charter LEA board must also take action to approve membership. The Charter SELPA Selection Committee will inform the CEO Council members of their decision. Applications for additional schools of a current Charter SELPA member, shall be approved by the Charter SELPA RLA/AU Designee, pursuant to AR 22, and are not required to be reviewed by the Charter SELPA Selection Committee. Because they are current members, the Charter SELPA RLA/AU Designee has significant documentation available to assess the new charter LEA capacity. The applicant member, an expansion of an existing member, will be deemed a member of the SELPA after approval by the Charter SELPA RLA/AU Designee. The applicant member charter LEA board must also take action to approve membership.

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan:

The Community Advisory Committee shall be composed of parents of individuals with exceptional needs, enrolled in public or private schools, parents of other pupils enrolled in school, pupils and adults with disabilities, regular education teachers, special education teachers and other school personnel, representatives of other public and private agencies, and persons concerned with the needs of individuals with exceptional needs. Terms of CAC participation are outlined in the CAC bylaws.

Because of the geographic diversity within the El Dorado Charter SELPA, meetings may take place through teleconference. For purposes of this section, “teleconference” means a meeting where the members are in different locations, connected by electronic means, through either audio, video, or both.

The CAC will be given at least 30 days to conduct a review. The SELPA shall review and consider comments from the CAC pursuant to EC section 56205(b)(7).

8. Identify and describe the responsible local agency (RLA), Administrative Unit (AU), or other agency who is responsible for performing tasks such as the receipt and distribution of funds, provision of administrative support, and coordination and implementation of the plan:

The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. The Superintendent oversees the SELPA administrative staff in the receipt and distribution of funds, provision of administrative support, and the coordination and implementation of the SELPA Allocation and Local Plans.

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan:

As members of the El Dorado Charter Special Education Local Plan Area (SELPA), each charter (as identified by the CDS (County, District, School) code issued by the State Board of Education) is considered an LEA (Local Education Agency) for purposes of special education. Each charter school, as their own LEA for special education accountability is responsible for the students within their jurisdiction including any and all contractual agreements. There are no additional contractual agreements that supersede education code.

As members of the El Dorado County Charter Special Education Local Plan Area (SELPA), (hereinafter referred to as Charter SELPA), each charter (as identified by the CDS (County, District, School) code issued by the State Board of Education) is considered an LEA (Local Education Agency) for purposes of special education.

The Charter SELPA further recognizes its' members as single charter partners or organization partners. Single Charter Partner is defined as an entity with one charter CDS code. An Organization Partner is an entity with multiple charters (CDS codes) as members of the Charter

Description:

SELPA. An entity is defined as an organization with one governing board or one CEO (Chief Executive Officer) position. The title of CEO may differ by organization, but the intent is that final decision making in the organization is vested in one leadership position.

As members of the Charter SELPA, each Charter SELPA LEA (Local Education Agency) desires to provide a free and appropriate public education (FAPE) to all school aged K-12 individuals with disabilities, who are enrolled in the charter, including children who have been suspended or expelled or placed by the charter LEA in a nonpublic school or agency services. The SELPA will provide technical support to any Charter LEAs identified as the DOR for students age 18 to 21 who are incarcerated in a county jail and remaining eligible for special education to assist in meeting their obligation. The SELPA may facilitate collaboration with the county jails as requested.

Students shall be referred for special education instruction and services only after the resources of the regular education program have been considered and, where appropriate, utilized. (Education Code 56303)

In order to meet the needs of individuals with disabilities and employ staff with adequate expertise for this purpose, the charter LEA participates as a member of the Special Education Local Plan Area (SELPA).

The Charter SELPA Local Plan is approved by the Charter CEO Council and reviewed by the El Dorado County Superintendent of Schools. Amendments to the Local Plan to revise LEA membership (additions) shall be approved by the Charter SELPA Selection Committee. Prior to Selection Committee approval, new LEA members shall be approved through the selection process as identified in Policy 22 and AR 22. Termination of membership shall be approved through the termination process as identified in Policy 26 or Policy 27. All membership changes shall be communicated with the Charter SELPA CEO Council at the next regularly scheduled meeting.

The Charter CEO Council will hold the required public hearings and approve the Annual Service Plan and the Annual Budget Plan. Notice of the public hearings shall be posted as required by law.

Upon entry into the Charter SELPA, the Governing Board for each LEA charter shall approve the Charter SELPA Local Plan and the Agreement for Participation.

Material changes to the Local Plan, other than for membership changes, shall be approved by the Charter SELPA CEO Council and reviewed by the El Dorado County Superintendent of Schools.

The Charter Chief Executive Officer or designee of the charter LEA shall extend the charter LEA's full cooperation to the SELPA. The policies and procedures of the Charter SELPA shall be applied as policies and regulations to all participating charter LEAs.

Charter SELPA policies and administrative regulations are approved by the Charter SELPA CEO Council.

The Charter SELPA shall administer a local plan and administer the allocation of funds. (Education Code 56195). The Charter SELPA CEO Council shall approve all allocation plan decisions that impact the allocation of funds.

A student shall be referred for special educational instruction and services only after the resources of the regular education program have been considered and used where appropriate. (Education Code 56303) The Charter LEAs shall not determine that a student is eligible for special education if the dominant factor for finding eligibility is lack of appropriate instruction in reading, lack of instruction in mathematics, or limited English Proficiency (20 U.S.C. § 1414(b)(5); Ed. Code, § 56329, subd. (a)(2).) All referrals for special education and related services from school staff shall include a brief reason for the referral and description of the regular program resources that were considered and/or modified for use with the student, and their effect. (5 CCR § 3021.) Within 15 days of a referral for initial assessment the LEA shall provide student's parent/guardian with a notice of parental rights and a written proposed assessment plan. The 15-day period does not include days between the student's regular school session or term, or days of school vacation in excess of five school days from the date of receipt of the referral. The proposed assessment plan shall meet all of the following requirements: (Education Code 56321) 1. Be in a language easily

understood by the general public 2. Be provided in the native language of the parent/guardian or other mode of communication used by the parent/guardian unless it is clearly not feasible 3. Explain the types of assessment to be conducted 4. State that no individualized education program (IEP) will result from the assessment without parent/guardian consent Upon receiving the proposed assessment plan, the parent/guardian shall have at least 15 days to decide whether or not to consent to the initial assessment. The assessment may begin as soon as informed parental consent is received by the respective Charter LEAs. The Charter LEAs shall not interpret parent/guardian consent for initial assessment as consent for initial placement or initial provision of special education services. (Education Code 56321; 34 CFR 300.505) However, an individualized education program required as a result of an assessment of a pupil shall be developed within 30 days after the commencement of the subsequent regular school year as determined by each Charter LEA's school calendar for each pupil for whom a referral has been made 30 days or less prior to the end of the regular school year. In the case of pupil school vacations, the 60-day time shall recommence on the date that pupil schooldays reconvene. A meeting to develop an initial individualized education program for the pupil shall be conducted within 30 days of a determination that the pupil needs special education and related services pursuant to paragraph (2) of subsection (b) of Section 300.343 of Title 34 of the Code of Federal Regulations. (Education Code 56344) If a parent/guardian refuses to consent to the initial evaluation or failed to respond to the request to provide consent, the Charter LEAs may pursue an evaluation by utilizing the mediation and due process procedures found at 20 USC § 1415 and in accordance with Education Code, sections 56501, subd. (a) (3), and 56506, subd. (e). See BP/AR 6159.1 - Procedural Safeguards and Complaints for Special Education) In the event that authorized parent does not consent to an initial evaluation the Charter LEAs shall not be considered in violation of the requirement to provide FAPE. In addition, the Charter LEAs is not required to convene an IEP team meeting or to develop an IEP for that child. (20 USC § 1414(a)(1).) Informed parental consent means that the parent/guardian: 1. Has been fully informed of all information relevant to the activity for which consent is sought, in his/her native language or other mode of communication 2. Understands and agrees, in writing, to the assessment 3. Understands that the granting of consent is voluntary on his/her part and may be revoked at any time (34 CFR § 300.500) If the student is a ward of the state and is not residing with his/her parents/guardians, the Charter LEAs shall make reasonable efforts to obtain informed consent from the parent/guardian as defined in 20 USC, section 1401 for an initial evaluation to determine whether the student is a student with a disability. (20 USC §

SELPA Fiscal Year

Description:

1414(a)(1)) The Charter LEAs shall not be required to obtain informed consent from the parent/guardian of a student for an initial evaluation to determine whether the student is a student with a disability if any of the following situations exists 1. Despite reasonable efforts to do so, the Charter LEAs cannot discover the whereabouts of the parent/guardian of the student. 2. The rights of the parent/guardian of the student have been terminated in accordance with California law. 3. The rights of the parent/guardian to make educational decisions have been subrogated by a judge in accordance with California law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student. (Education Code 56301; 20 USC 1414(a)(1)) As part of the assessment plan, the parent/guardian shall receive written notice that: 1. Upon completion of the administration of tests and other assessment materials, an IEP team meeting that includes the parent/guardian or his/her representative shall be scheduled pursuant to Education Code, section 56341. At this meeting, the team shall determine whether or not the student is a student with disabilities as defined in Education Code, section 56026 and shall discuss the assessment, the educational recommendations, and the reasons for these recommendations. A copy of the assessment report and the documentation of determination of eligibility shall be given to the parent/guardian. 2. If the parent/guardian disagrees with an assessment obtained by the Charter LEAs, the parent/guardian has the right to obtain, at public expense, an independent educational assessment of the student from qualified specialists, in accordance with 34 CFR §300.502. If the Charter LEAs observed the student in conducting its assessment, or if its assessment procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to the independent educational assessment. This equivalent opportunity shall apply to the student's current placement and setting as well as observation of the Charter LEA's proposed placement and setting, regardless of whether the independent educational assessment is initiated before or after the filing of a due process hearing proceeding. 3. The Charter LEAs may initiate a due process hearing pursuant to Education Code 56500- 56508 to show that its assessment is appropriate. If the final decision resulting from the due process hearing is that the assessment is appropriate, the parent/guardian maintains the right for an independent educational assessment but not at public expense. If the parent/guardian obtains an independent educational assessment at private expense, the results of the assessment shall be considered by the Charter LEAs with respect to the provision of a free appropriate public education to the student, and may be presented as evidence at a due process hearing regarding the student. If the Charter LEAs observed the student in conducting its assessment, or if its

assessment procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to an independent educational assessment of the student in the student's current educational placement and setting, if any, proposed by the Charter LEAs, regardless of whether the independent educational assessment is initiated before or after the filing of a due process hearing. 4. If a parent/guardian proposes a publicly financed placement of the student in a nonpublic school, the Charter LEAs shall have an opportunity to observe the proposed placement and, if the student has already been unilaterally placed in the nonpublic school by the parent/guardian, the student in the proposed placement. Any such observation shall only be of the student who is the subject of the observation and may not include the observation or assessment of any other student in the proposed placement unless that student's parent/guardian consents to the observation or assessment. The results of any observation or assessment of another student in violation of Education Code, section 56329(d) shall be inadmissible in any due process or judicial proceeding regarding the free appropriate public education of that other student. (Education Code 56329; 34 CFR 300.502) An IEP required as a result of an assessment shall be developed within a total time not to exceed 60 days from the date of the receipt of the parent/guardian's consent for assessment, unless the parent/guardian agrees to an extension in writing. The 60-day period does not include any days between the student's regular school sessions/terms, or days of school vacation in excess of five school days. (Ed Code § 56043)

However, when a referral is made within 30 days of the end of the regular school year, an IEP required as a result of an assessment shall be developed within 30 days after the commencement of the subsequent regular school year as determined by each district's school calendar. In the case of school vacations, the 60-day time shall recommence on the date that school reconvenes. (Ed. Code § 56344 (a).) A meeting to develop an initial IEP for the pupil shall be conducted within 30 days of a determination that the pupil needs special education and related services. (Ed. Code §§ 56043(f)(2); 56344 (a).)

Before entering kindergarten or first grade, children with disabilities who are in a preschool program shall be reassessed to determine if they still need special education and services. The IEP teams shall identify a means of monitoring the continued success of children who are determined to be eligible for less intensive special education programs to ensure that gains made are not lost by a rapid removal of individualized programs and supports for these individuals. (Ed. Code § 56445)

Under California law, due process hearings pursuant to the IDEA (20 USC 1400-et seq) are held only at the state level. Related rights and procedures for due process are set forth in Education Code §§ 56501et. Seq. and 5 CCR §§ 3080 et. seq. When California law provides greater protections to students and parents, it supersedes federal law. Due process hearing rights extend to the student only if he/she is an emancipated student or a ward or dependent of the court with no available parent or surrogate parent. (Ed. Code § 56501; see AR 6159.3 - Appointment of Surrogate Parent for Special Education Students.)

Informal ADR Process/Pre-Hearing Mediation Conference Before requesting a due process hearing, the Charter Chief Executive Officer or designee of the Charter LEA and a parent/guardian may agree to meet informally to resolve any dispute relating to the identification, assessment or education and placement of a student with disabilities. The Charter Chief Executive Officer or designee shall have the authority to resolve the dispute through an informal alternative dispute resolution (“ADR”) process. (Ed. Code § 56502) In addition, either party may file a request with the Superintendent of Public Instruction for a Pre- Hearing Mediation Conference (commonly referred to as “mediation only”) to be conducted by a person designated by the California Department of Education. Based on the Pre-Hearing Mediation Conference, the Charter Chief Executive Officer or designee may resolve the issue(s) in any manner that is consistent with state and federal law, and is to the satisfaction of both parties. (Education Code 56500.3) Attorneys may not attend the Informal ADR session or the Prehearing Mediation Conference. Attorneys may attend, or otherwise participate in, only those mediation conferences that are scheduled pursuant to a request for a due process hearing. (Ed. Code §§ 56500.3, 56501) If the parties do not resolve their dispute through Informal ADR and/or a Pre-Hearing Mediation Conference, either party may file a request for a due process hearing. Due Process Complaint Notice and Hearing Procedures Due process hearing procedures may be initiated by a parent/guardian, the Charter LEA, and/or a student who is emancipated or a ward or dependent of the court, under the following circumstances. 1. There is a

proposal to initiate or change the identification, assessment or educational placement of the student or the provision of a free, appropriate public education to the student 2. There is a refusal to initiate or change the identification, assessment or educational placement of the student or the provision of a free, appropriate public education to the student 3. The parent/guardian refuses to consent to an assessment of his/her child; and/ or 4. There is a disagreement between a parent/guardian and the Charter LEA regarding the availability of a program appropriate for the student, including the question of financial responsibility. (20 USC § 1415(b); Education Code 56501) Prior to initiating a due process hearing, the party requesting the hearing, or the party's attorney, must provide the opposing party a confidential due process complaint notice, specifying: 1. The student's name 2. The student's address or, in the case of a student identified as homeless pursuant to the McKinney-Vento Homeless Assistance Act (42 USC 11434a(2)), any available contact information for that student 3. The name of the school the student attends 4. A description of the nature of the student's problem relating to the proposed or refused initiation or change, including facts relating to the problem 5. A proposed resolution to the problem to the extent known and available to the complaining party at the time (20 USC § 1415(b); 34 CFR § 300.508 (b).) Resolution Session When a parent seeks to initiate a request for due process, before their request is filed, they must provide the Charter LEA with the opportunity to resolve the matter by convening a resolution session, which is a meeting between the parents and the relevant members of the IEP team who have specific knowledge of the facts identified in the due process hearing request. (20 USC § 1415[f][1][B]; 34 CFR § 300.510) The Charter LEA has fifteen (15) days from the date it received the parents' due process hearing request to convene the resolution session. The sessions shall include a representative of the LEA who has decision-making authority and not include an attorney of the school LEA unless the parent is accompanied by an attorney. The parent of the child may discuss the due process hearing issue and the facts that form the basis of the due process hearing request. The resolution session is not required if the parent and the Charter LEA agree in writing to waive the meeting. If the Charter LEA has not resolved the due process hearing issue within thirty (30) days, the due process hearing may occur. If a resolution is reached, the parties shall execute a legally binding agreement. (20 USC § 1415[f][1][B]; 34 CFR § 300.51) A due process complaint must be filed within two years of the date that the parent/guardian or Charter LEA knew or should have known about the situation that forms the basis of the complaint. (20 USC § 1415(c)(1)) Parties requesting a due process hearing shall file their request with the Superintendent of Public Instruction or designated contracted agency and give a copy of the request, at the same time, to the other party. (Ed. Code § 56502) Prior Written Notice The Charter Chief Executive Officer or designee shall send to parents/guardians of any student with a disability a prior written notice within a reasonable time before: 1. The Charter LEA initially refers the student for assessment 2. A statement that the parents/guardians of the student have protection under procedural safeguards and, if this notice is not an initial referral for evaluation, the means by which a copy of the description of procedural safeguards can be obtained 7. Any resources for parents/guardians to obtain assistance in understanding these provisions (20 USC § 1415(c); 34 CFR § 300.503) Students with disabilities and their parents/guardians shall be provided written notice of their rights in language easily understood by the general public and in the primary language of the parent/guardian or

The notice is translated orally or by other means to the parent/guardian in his/her native language or other mode of communication 2. The parent/guardian understands the contents of the notice 3. There is written evidence that items #1 and #2 have been satisfied (34 CFR § 300.503) Notice of Procedural Safeguards A notice of procedural safeguards shall be made available to parents/guardians of students with a disability once a year and upon: 1. Description:

the Charter LEAs in the El Dorado Charter SELPA ensure that all students who require special education will participate in the California Reading Initiative, just as do all other students in the El Dorado Charter LEAs. In order to facilitate that effort, the Charter LEAs assure that special education instructional personnel will participate in staff development inservice opportunities in the area of literacy, including: a. information about current literacy and learning research; b. state-adopted student content standards and frameworks; and c. research-based instructional strategies for teaching reading to a wide range of diverse learners Each of the Charter LEAs will include special education staff in their curriculum materials selection process, in order to support alignment with State standards. Each will also include all special education staff in all staff development on phonemics and phonics, as well as in any additional state or regional training based on new legislation, e.g., the California Reading and Literature Subject Matter Project, the rollouts on the frameworks, AB466 training. The goals of the Charter LEAs are to increase the participation of students with disabilities in statewide student assessments, to increase the percentage of children with disabilities who are literate, and to assure that students with disabilities attain higher standards in reading. In order to reach these goals, we assure that students with disabilities will have full access to: 1. all required core curriculum including state-adopted core curriculum textbooks and supplementary textbooks; and 2. instructional materials and support.

The Charter SELPA is responsible for monitoring all required areas of compliance with federal, state and Charter SELPA policies. The purpose of all monitoring and oversight activities is to ensure legal and effective LEA practices are in place to meet the needs of students with disabilities. This policy outlines areas of oversight and indicators that may cause the initiation of a Charter SELPA review process. Charter SELPA administration will keep the CEO Council informed of SELPA oversight activities and determinations.

If compliance, performance and/or student population data for an LEA in the Charter SELPA varies significantly from expected results or standards, it may be an early warning for the Charter SELPA to initiate contact. In this case, the Charter SELPA will contact the LEA to confirm the data, discuss any underlying issues which may impact the data, and identify how the Charter SELPA can assist the LEA in any necessary corrective action.

The Charter SELPA will monitor special education practices and data continuously to determine whether practices are in line with the LEA's responsibilities to students with disabilities and SELPA policies. Data will be collected and reviewed by the Charter SELPA. Examples of existing indicators and standards include but are not limited to:

- Identification rate of special education students that is below 4% or greater than 14%
- State Performance Plan Indicators
- Significant swings in enrollment and/or enrollment trends that are not aligned to the LEA's instructional calendar
- Pattern of compliance complaints or due process hearings
- Evidence of exclusionary practices
- Significant and/or abrupt change in leadership or staff
- No/low participation or engagement in the Charter SELPA (CEO Council, Steering Committee, professional development offerings, etc.)
- Unspent funds greater than 25%
- Annual independent audit which shows serious fiscal solvency issues

SELPA REVIEW PROCESS

If one or more of the preceding triggers indicates a potential problem, the Charter SELPA may initiate a program and/or fiscal review. Program and fiscal reviews are facilitated by the appropriate Charter SELPA administrator. Charter SELPA's goal in each review process is to clearly identify the areas of SELPA concern, discuss any underlying issues which may be impacting the findings, and identify how the Charter SELPA can assist the LEA in any necessary corrective action. The Charter SELPA may request additional information as necessary to resolve identified concerns.

When multiple or connected concerns exist, the Charter SELPA may implement an Integrated Review Team (IRT) visit. An Integrated Review Team (IRT) visit consists of Charter SELPA program and business administrators meeting directly with the charter LEA leadership team.

CHARTER SCHOOLS AT-RISK

Whether through a Charter SELPA review process or other source, or if significant matters arise that are potentially harmful to students, demonstrate negligence, may harm the SELPA, or there is a concern that funds are not being spent appropriately for special education, Charter SELPA administration is empowered to act in the best interests of the SELPA as a whole. Such matters include, but are not limited to:

- Pattern of noncompliance with federal, state or Charter SELPA regulations
- Notice of revocation
- Notice of bankruptcy
- FCMAT extraordinary audit
- Annual audit with material findings and identification of operational issues that cause concern regarding the long-term viability of the organization
- Other circumstances that create a concern that a loss to the SELPA is possible or funds are not being spent appropriately for special education

Charter SELPA administration may make a determination and proceed to:

- Notify appropriate public agencies;
- Notify the LEA's governing board;
- Withhold state and/or federal funding;
- Move an LEA to reimbursement-based state funding, requiring

Education Code Section 56040(a) states: "Every individual with exceptional needs, who is eligible to receive special education instruction and related services under this part, shall receive that instruction and those services at no cost to his or her parents or, as appropriate, to him or her." Related services means transportation and such developmental, corrective, and other supportive services as are required to assist a child with a disability to benefit from special education [34 CFR 300.34(a)]. LEAs/districts should not automatically assign students to transportation based on the students' disability without considering the students' individual needs and the continuum of placements [Hopkinton (MA) Pub. Schs., 108 LRP 41626 (OCR 2007)]. For students with medical needs, 34 CFR 300.34(a)(ii) limits the responsibility of a public agency to appropriately monitor and maintain medical devices that are needed to maintain the health and safety of the child, including breathing, nutrition, or operation of other bodily functions, while the child is transported to and from school.

 - 5.1.1. Prior initial written notice of intended termination to the SELPA at least twelve (12) months and one (1) day in advance of date of termination; and
 - 5.1.2. Final written notice of termination to the SELPA no more than six (6) months after the LEA's initial notice of intended termination.
- 5.2. The SELPA may initiate and complete termination of this Agreement and LEA's participation in the SELPA in its sole discretion in accordance with the process and

standards in SELPA Policies. The SELPA will provide prior written notice to the LEA at least twelve (12) months as follows:

- 5.2.1. Prior initial written notice of intended termination to the LEA at least twelve (12) months and one (1) day in advance of date of termination, and
 - 5.2.2. Final written notice of termination to the LEA no more than six (6) months after the SELPA's initial notice of intended termination.
- 5.3. Specifically the timeline and process above does not preclude the SELPA from initiating and completing the termination process in less than 12 months or by June 30 of the year immediately preceding the summary termination, if the member demonstrates:
- 5.3.1. Egregious disregard of state and federal requirements to provide services to students; and/or
 - 5.3.2. Demonstrated systemic and material issues that would cause the SELPA to make a finding of "going concern" based on leadership, programmatic and/or fiscal solvency that would cause SELPA to reasonably believe the SELPA may be harmed by the continued membership of the LEA.

The standards and timeline as determined by the SELPA shall, at a minimum, provide the LEA a reasonable opportunity for prior written notice and an opportunity to be heard by the Membership Appeals Committee.
