October 24, 2019 -November 13, 2019

Parent -Teacher Conferences: On October 24-25, there was no school for students. Teachers scheduled meetings with parents to update them about their kids' learning outcomes. Parents were informed about SVCS' new grading system that is completely based on standards.

Halloween Parade: On October 31, Halloween parade was organized. Kids were excited to contest for a range of prizes for their costumes. Students were awarded for the funniest, spookiest, most creative, and the best overall. PTO funded prizes for different categories.

Teachers' Collaboration Meetings: On November 1, 2019, teacher had collaboration meetings, 1:00pm-4:00pm as it was a minimum day. The question was: How can we bridge the achievement gap?

1. Instructional planning and Pacing guide
2. Differentiation for EL and Special Education
3. Assessments: Formative, Interim and Summative
4. Discipline: Class management, Seating plan, Class Rules and Schoolwide rules
5. Parents involvement: Communication and maintaining a record of calls.

Professional Development: Marie McEntee has been an educator for 30 years. She has coached teachers in using Lucy Calkins' reading and writing programs. She coached our teachers on inspiring love for reading. Please see the attached schedule.

Award Assembly, November 13, 2019: Scholars were honored for their achievements. Grade 4-8 were also awarded Honor Rolls for their high achievements. Since a standard based grade book has been adopted, scholars must work harder to get these awards.
