Sacramento Valley Charter School Parent Newsletter

Dear Parents,

Thank you so much for taking your time out for attending parent-teacher conferences. Your partnership with SVCS is very important for motivating and inspiring your scholar. It is a right time to monitor their time online, ask questions about their classroom experience, and check their homework. You will soon get report cards for the first trimester. If you have any questions, please feel free contact me anytime.

Winter is on the way. Please send your kid in sweater or jacket. Our school uniform color is navy blue. Please make sure there is no logo other than SVCS. If your scholar is not in uniform, the office will call you to bring right uniform to school. If you have your friends and neighbors interested in our school, they can complete a Prospective Student form online. Please visit www.sacvalleycharter.org. We have added another tab 'Attendance' that you can use to report absences.

The next trimester is marked by Thanksgiving and Winter Breaks. It is always helpful when kids maintain their regular study schedule: reading aloud for 30 minutes, writing a daily journal, and researching on a topic related with the subject of their study.

Dr. Amrik Singh, Principal

Minimum Day is Friday, November 2nd. Please be aware school will be out at 12:30pm, bus routes will follow their Minimum Day schedules, and there will be no after-school.

PTO Harvest Festival was a huge success, thanks to the hard work of the SVCS PTO and their President, Taylor Bloss. Keep up the excellent work, it is greatly appreciated!

Canned Food Drive ends on 11/2: We encourage our scholars to participate in Canned Food Drive so that the neediest of our society don't go without food. Please send non-perishable food such as dry goods or in tin cans.

Award Assembly: There will be two award assemblies on November 7th in the Multipurpose Room. Kindergarten through Fourth Grade will start at 1:45pm promptly, and Fifth Grade through Eighth Grade will begin at 2:25pm. Parents and families are welcome to attend.

Veteran's Day will be observed on Monday, November 12th, in remembrance of the many living and fallen soldiers who have served in the US military. Veteran's Day is the American version of Armistice Day celebrated internationally, in remembrance of the end of the First World War. There will be *no school* on 11/12.

Thanksgiving Break will be from Wednesday, November 21st through Friday, November 23rd. There will be *no school* these days. Thanksgiving is a uniquely American holiday for families to gather and remember the many things to be thankful for over the year.

Free Dress Day: Please make a note of change in Free Dress day. The last Thursday of the month will be a Free Dress Day now on.

STEM Night will be November 29th, from 5:30pm to 7pm in the Multipurpose Room. Please attend and join us for our first combined Science and Math night celebrating all STEM fields!

Prospective Students for the 2019-2020 school year may now be waitlisted. Please fill out the form and submit it through the main page of our website. We will contact you near the end of the year with further information on enrolling your new student.

Attendance Reporting: The office has added a new way to report absences, in addition to calling into the office. On our website, there is a new additional menu option called Attendance, with a drop-down menu called Report Absence. If your student is going to be absent that day, please feel free to fill out the short form and submit it to the office through our webpage, or you are welcome to call or email the office. It is very easy and simple.
