

Sacramento Valley Charter School School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

SACRAMENTO VALLEY CHARTER SCHOOL

Home of the Lions!

Our mission is to create an inspiring and challenging learning environment for our children and to promote a culture of strong social and family values.

Our Vision:

A charter school with strong community support and participation that provides a rigorous, standards based curriculum and individualized support for all children. A safe and compassionate learning environment that promotes love of learning among children while meeting their academic, social, and emotional needs.

A highly professional, fully certified staff that builds an uncompromising commitment to learn, compete and excel.

The Local Control Accountability Plan (LCAP) is a comprehensive planning tool to describe and guide school action and expenditure to meet students' goals for students' achievement. The LCAP was approved by the Board of Directors in 2014 and is reviewed annually for updates.

Special Program:

All students at SVCS take part in our California World Language Program in Punjabi, Punjabi being an Indo-European Language. Students study the language for 40 minutes every day. The World Language Program is intended to support the core curriculum in ELA and Mathematics and is fully aligned with the common core content standards. According to the latest research, learning another language develops students intellectually, emotionally and personally.

School Leadership

The school has a full time principal.

School leadership is a shared responsibility of the administration, staff, students and parents. The Board of Directors is the major governing body that meets monthly to develop school policies and discuss components of the school program for effective implementation of school mission, goals and vision.

Staff members, parents and teachers participate in various ways to discuss the board decisions regarding the priority and directions of the school to maintain students' enrollment and a balanced school experience.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	58	63	32	34	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parent Involvement

Parents are an integral part of student success. Sacramento Valley Charter School is a welcoming environment, from the front office to the classrooms. Prior to the opening of school in August, families are invited to meet their child's teacher, tour the school building, and meet other parents.

The Parent Teacher Organization (PTO) is present to greet parents and encourage them to become involved in school. As a school that busses students from three locations, the bus drivers greet parents and establish bus pick-up points. Minutes from PTO meetings are posted on Google Cloud to share information.

Parents are invited to attend field trips with their child's classroom. Throughout the year the PTO supports and sponsors activities to enrich the education of all students. Parents participate in a yearly survey, plan activities, support homework, attend parent teacher conferences and promote a positive school environment.

Parents and the school administration continually collaborate to plan educational support and enrichment activities to support student learning. Our Parent Teacher Organization (PTO) provides input to as we establish our LCAP priorities. Many parent volunteers assist with field trips, school assemblies, book fairs and activities to support classrooms. We invite you to get involved by attending a PTO meeting, following us on Facebook and visiting our website.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

A safe campus is crucial to effective learning. The Board of Directors approved a Comprehensive School Safety Plan in 2011. Annual reviews occur in February of each year.

Access to the school by members of the public is controlled by fencing, video cameras and all visitors must be approved by administration. Visitors must also sign-in and wear a visible visitor pass at all times while on the school site. The office has an eight screen monitor of the premises inside of hallway, multi-purpose room and exterior of building.

The School safety plan has procedures for fire drill, earthquake, tornado, lockdown and health emergencies and all necessary telephone numbers are current. The plan is shared with the students, staff, parents and reviewed with Board of Directors. A copy of the plan is kept in our administrative office.

We are proud of our zero-tolerance bullying policy . Our students are respectful and considerate of others and live up to our school motto, Learn, Compete, Excel. We accept students all year and invite you to tell others about us and join our school community.
