As we embark on this journey together, We encourage each of our scholars to set personal goals, forge new friendships, and contribute positively to our schools' vibrant culture. We stand at the threshold of a new academic year filled with promise and potential. Our dedicated team of educators and staff have been diligently preparing to provide a safe, nurturing, and enriching environment for our scholars. This year, we will continue to foster a love for learning, critical thinking, and creativity. Our curriculum will be thoughtfully designed to engage and challenge our scholars, encouraging them to explore new horizons and embrace their individual passions. As we embark on this journey together, We encourage each of our scholars to set personal goals, forge new friendships, and contribute positively to our schools' vibrant culture.

Sacramento Valley Charter School has a mission that states, "To create an inspiring and challenging learning environment for our children and to promote a culture of strong social and family values."

In order to achieve this, dedicated staff members work collaboratively with you, the parent or guardian. WE will continue to monitor the implementation of *Common Core State Standards*, strive for continued focus on improving our test scores, and provide a safe learning environment for all students and staff.

To improve the success of all students, we need parents/ guardians to help us by encouraging their children to do their very best and assist with their child's homework. I highly encourage all parents/guardians to join our Parent Teacher Organization (PTO) and become a parent volunteer.

I invite you to serve on our English Learner Advisory Committee (ELAC) or the School Site Council (SSC), for advising the principal and staff on programs for English learners.

The importance of regular school attendance is a key to high achievement. I hope you will make sure your scholar attends school every day.

We are asking parents to read school newsletters, and classroom notes for pertinent information about our expectations. We ask that parents continue to encourage students to follow behavior/technology rules, support student learning, and follow our uniform dress policy.

We ask all parents and guardians to review this handbook with their scholars to ensure they have an accurate and complete understanding of our programs, procedures, and expectations here at Sacramento

Valley Charter school Schools. At the end of this booklet is a form that should be signed by you and your child and returned to your child's teacher.

Thank you for being a part of the SVCS family. Feel free to call, email, or stop by or contact your child's teacher regarding compliments or concerns about your child or the school.

### **Our Vision**

A charter school with strong community support and participation that provides a rigorous, standards-based curriculum and individualized support for all children.

A safe and compassionate learning environment that promotes love of learning among children while meeting their academic, social, and emotional needs.

A highly professional staff that builds an uncompromising commitment to learn, compete, and excel.

### **Our Mission**

To create an inspiring and challenging learning environment for our children and to promote a culture of strong social and family values.

### **Site Council/ English Learner Advisory Committee (ELAC)**

State law requires that any school with over 21 students in their EL program must have an English Learner Advisory Committee in place made up of parents. If your student is an EL student at SVCS, you are welcome to attend meetings or to take a seat on the committee. The purpose of ELAC is to offer advice and feedback to the principal and staff regarding how the EL program is progressing during the year. Notices regarding dates and times for meetings will go out throughout the year as ELAC meetings are scheduled.

### **Language Assistance**

If you have any difficulty understanding any part of this handbook due to English being a second language, please contact the front office at 916 596-6422, and staff can assist you in translations into Spanish or Punjabi as needed.

### **PARENT-TEACHER COMMITTEE (PTC)**

Schools Parent-Teacher Committee is composed of parents and teachers volunteering their time and talents in various ways for the benefit of the children and the school. This is accomplished by supporting school activities, class programs, and fundraisers and sharing time and ideas. PTC meetings are held quarterly. All parents are welcome to attend these meetings and encouraged to participate in PTC activities. Dates are listed on the PTC link on the schools' website.

### **PARENT-TEACHER CONFERENCES**

Research has shown that parental involvement is the most important factor in a student's success in school; therefore, parents are encouraged to attend parent-teacher conferences during the school year. Parent-teacher

conferences may be conducted at any time a need arises. Teachers will notify parents with the dates and times of the conferences. Families are encouraged to meet with teachers/staff throughout the year.

## Campus Procedures

### Attendance

All children are expected to be in attendance each day. School begins promptly at 8:30 a.m. and ends at 3:00 p.m. No adult supervision is provided before 8:15 a.m. or after 3:15 p.m. unless in after school programs or waiting in the office with the permission of the office. Regular attendance and prompt arrival for the school day ensures solid academic preparation and minimum classroom disruption. A student is considered a habitual truant with 3 days or more of unexcused.

The Charter School requires an official verification by the parent or guardian excusing absences. You must call the office on the day of the child's absence (916) 596-6422, leave a message on voicemail, or send a note upon the student's return to school. Please include your name and your child's name, grade and teacher, date of absence, and reason for absence. If tardy, the student is to report to the office and receive an admit pass. Tardies are considered unexcused and will be reported to the state as such unless excused (see list of excusals in the **complete Classroom Attendance Policy, available upon request by contacting the main office**).

It is the family's responsibility to request make-up work from the teacher. Students are not allowed to leave campus without parent permission. Parents picking up their children will report to the office and sign their child out and wait for the child to come to the office. This procedure provides minimum disruption to instructional time. Parents are asked to not engage teachers in discussions after 8:15 a.m. nor during the school day nor during dismissals. Teachers are responsible for your child's instruction and safety and should not be kept from their duties. Please make an appointment to discuss your child.

### Independent Study Agreement

Independent study is provided to a student who needs to be away from school for a period of time (usually a matter of days or weeks) but who will return to the classroom. We offer independent study which has specific guidelines for completing the assigned work. The student's classroom teacher serves as the independent study supervising teacher and provides the independent study assignments (coursework the student would have covered had he or she remained in the classroom during this period). To apply for an independent study contract parents must follow the listed process:

#### **Independent Study Agreement Process:**

- Step 1: Receive written request from parents before any other action is taken. Such as an email or note.
- Step 2: Have a meeting with the Principal and teacher. The Principal and or Vice Principal has the right to deny a request.

- Step 3: Have parents sign an independent studies contract, pick up an assignment packet and then give parents a receipt.
- Step 4: Teacher will sign off on assignments after students' work is complete. Principal and/or Vice Principal also signs off on students' work once complete.
- Step 5: Office staff will enter all of this information into schoolwise and make 3 copies: one for office, one for parents, one for student folders.
- Whenever possible, Parent/guardian must notify school in advance of participation in independent study, at least **3 weeks** prior..
- The student, parent/guardian and teacher must all sign the independent study agreement (even if the student is in kindergarten or first grade).
- If assignments are completed or returned after the due date, academic credit may be given; but no credit will be awarded for attendance. Completed work may be sent by USPS priority mail, email, fax, in-person, or other agreed upon delivery method.

### **Personal Property**

SVCS is not responsible for loss or theft of personal property. Students are discouraged from bringing non instructional items to school, such as toys of any kind, electronic devices, skateboards, etc.

### **Dress Code Policy**

Sacramento Valley Charter School policy requires all students to wear uniforms. SVCS is committed toward creating a culture of academic rigor, and a school-wide dress code policy encourages this climate. School uniforms support a safe and disciplined environment.

As Sacramento Valley Charter School is a school of choice, there will be **no** exception made for any student. SVCS has designated general funds to support families who may need assistance in procuring uniforms items.

Students who do not dress in appropriate uniform attire will be sent to the office to call home. Parents will need to bring the appropriate uniform before the student will be allowed to return to class. If the student does not have the appropriate uniform, one will be furnished.

Uniform clothing may be purchased from any retail stores: Kohl's, JC Penny, Old Navy, Lands' End, etc.

No coats, jackets, hooded sweatshirts, caps, or hats are to be worn in buildings during school (with the exception of headwear worn for purposes of religious observance).

### **Enforcement**

### **Student Dress Code - Personal Habits**

- Students K-8 are not to bring or wear make-up. • Clothing may not be obscene, vulgar, or likely to have disruptive effect on the educational process
- Hats are allowed on the playground but must be removed in classrooms or school buildings (with the exception of headwear worn for purposes of religious observance).
- SVCS is a perfume/cologne free zone.

## **Personal Hygiene**

Good personal hygiene is extremely important in a school environment. Students maintain close proximity to one another, necessitating personal cleanliness be maintained at high standards. Regular shower and bathing, fresh clothing, use of deodorants or antiperspirants as necessary, and brushing and flossing of the teeth are all signs of good hygiene. Many childhood and adult illnesses can be traced back to poor hygiene. Good hygiene also includes regular washing of hands, especially after using restrooms, or before eating lunch or a snack. Please remind your students to maintain good hygienic practices throughout the day to minimize the spread of illness while at school.

Lice are another common issue at the elementary school level. Remind your students not to share clothing, or hats, with fellow students, as this can contribute to the spread of lice among students. Please check your student periodically, or if the student begins to itch or scratch their head more often than usual. It is important, for the maintenance of good hygiene, that all students remain lice-free. Students found to have lice at school will be sent home at the end of the day and will have to stay out of school until all live lice are gone.

## **Free Dress Days**

The last Friday of the month and spirit days are free dress days. However, students' choice in clothing must be clean, modest, and appropriate for regular school activities. Shoe wear must be secured for walking and/or running, therefore slippers or any other kind of shoe that is not secure is not acceptable for student safety reasons.

## **Technology - Guidelines for Student Use**

Sacramento Valley Charter School will make its computing and network resources available to its students and staff solely for educational purposes, and to carry out the legitimate business of the charter school. All other uses of school site computing and network resources are strictly prohibited.

1. Access to school's computing and network resources is not a right of any person. Rather, such access, if given by the charter pursuant to the provisions of Charter Policy and Regulations, is a revocable privilege. Users of SVCS's computing and network resources are required to use such resources responsibly, ethically, and in a manner consistent with the provisions of adopted Board policy without regard to whether a user accesses SVCS's resources directly, or through any remote computer or network.
2. As a condition of using the charter school's computing and network resources, every user must read, and sign the appropriate "Acceptable Use Agreement" provided by SVCS staff. All minors seeking permission to use these resources must also obtain the written permission of that minor's parent or guardian. Any user who does not sign an "Acceptable Use Agreement" will not be permitted to use school's computing and network resources.

3. SVCS' computer resources and all users' accounts are the property of the school site. There is no right to privacy in the use of the computer resources or users' accounts, and the charter reserves the right to monitor and access information on the system and in users' accounts for the purpose of determining whether a violation of Board policy has occurred. The charter will remove any information on the system which it determines to be in violation of Board policies.
4. In compliance with the requirements of the Children's Internet Protection Act, the school will utilize an internet blocking or filtering device to prevent electronic access to visual depictions that are obscene, pornographic, or harmful to minors. However, the principal or his/her designee will have the discretion to disable such blocking or filtering measures in any case in which an adult requires access to such materials for bona fide research or other lawful purposes. The Principal or Vice Principal will review written requests from adults for permission to disable blocking.
5. The use of the internet is limited to teacher approved sites. Any violation of this is considered a violation of the "Acceptable Use Agreement" and is susceptible to disciplinary measures.
6. No person utilizing charter school computer resources will disclose or disseminate personal information concerning minors attending District schools.
7. The Principal or Vice Principal and his/her designee is authorized to adopt and implement such Administrative Regulations as are necessary and appropriate to implement this policy.
8. School provided email accounts should be used only for school related assignments and/or communication.

**Internet Safety:**

- Never give out private information such as last name, address, telephone number or parent's telephone number.
- Understand internet sites that can be visited by students and those that are off-limits.
- Tell an adult if something comes up on the screen that makes you feel uncomfortable.
- Never agree to meet with anyone you meet online.

- Never post on a web page or send in an email any pictures of yourself or classmates without an adult's permission.
- Tell an adult if you get an inappropriate e-mail from anyone.
- Remember that going online is like going out in public, so all the safety rules apply to the internet as well.
- Know that the internet is a useful tool and will always use it responsibly.
- Follow internet rules at home, in school, at the library or with friends.

To be successful, contributing members of any community, children must learn necessary social and life skills. Positive Discipline is based on the understanding that discipline must be taught, and that discipline teaches.

### **Cell Phones/Tablets/Mobile Devices/Digital Devices**

Cell phones and any other digital devices are *not allowed during school hours, school events and school transportation time*. Cell phones that are seen or heard will be confiscated and kept in the school office and will be returned only to the parent or legal guardian. This includes the use of cell phone friendly devices or gadgets such as smart watches, tablets, and hotspots.

### **Positive Discipline**

The tools and concepts of Positive Discipline include:

- Mutual respect. Adults model firmness by respecting themselves and the needs of the situation, and kindness by respecting the needs of the child.
- Identifying the belief behind the behavior. Effective discipline recognizes the reasons kids do what they do and works to change those beliefs, rather than merely attempting to change behavior.
- Effective communication and problem-solving skills.
- Discipline that teaches (and is neither permissive nor punitive).
- Focusing on solutions instead of punishment.
- Encouragement (instead of praise). Encouragement notices effort and improvement, not just success, and builds long-term self-esteem and empowerment.

### **Lunchroom Procedures and Rules**

All SVCS students have the option of receiving a free vegetarian lunch, or they may bring a packed lunch from home. Students may not bring peanut products from home. SVCS students must demonstrate the following behaviors in the cafeteria:

### **Playground Rules**

SVCS students must each demonstrate the following behaviors on the playground:

Students are to be either on their scheduled bus or transported by parents. School begins at 8:30 and ends at 3:05. Please be prompt and pick up your child immediately after school. No after school services are available.

Parents/guardians who transport their children by personal car, please drop off and pick up your children on the North side of the Multi-Purpose building for your child's safety.

## **Transportation Procedures & Policies**

### **Staff and Bus Drivers:**

Teachers will walk students to bus at end of day.

### **Non-Bus Riders:**

Students not riding the bus will be released to a parent/guardian

Students may only be released to siblings/other responsible adults with prior written authorization

A student who is typically picked up by parents will be brought to the office by the classroom teacher in the event his/her parent is late. An immediate attempt will be made by office staff or teacher to contact the parent(s).

### **Bus Riders:**

Student bus riders will be released by teachers to board buses

Bus drivers will do a count of students present on bus versus total count of riders signed up for a particular bus

In the event of a discrepancy in the number, the driver will take roll to ascertain which students are inadvertently on the bus

Students not scheduled for bus transportation will be escorted from the bus and released to a school staff member

Bus drivers will have a binder with relevant information, including:

- a. Transportation variances indicating day(s) of week of variance(s)
- b. General student information including designated drop-off point
- c. Parent contact numbers
- d. Emergency contact numbers
- e. School phone contact numbers (Office, principal, vice-principal etc.)

**Parents:**

1. Parents must indicate that they wish their child to participate in SVCS transportation services and agree to pay for the associated fee.
2. Parents are required to fill out an "Assigned Bus Stop Location Form" in order to have their child eligible to ride the bus
3. Parents requesting an ongoing variance in the default transportation routine must fill out a detailed overview of the change(s). This will be kept on file in the office and with the bus drivers.
4. A one-time change must be requested through the office as soon as possible in order to notify the staff and bus driver in a timely fashion. This variance must include specific details as to the drop-off location.
5. A parent who typically picks up his/her child must notify the school in the event he/she will be more than 15 minutes late
6. Parents who are running late in picking up their child may opt to have their child take the bus, provided they (1) Have a bus agreement on file with SVCS, and (2) Contact the school giving specific instructions indicating their wish for their child to ride the bus for that day only. A child's ability to ride the bus under these circumstances is predicated on the parent's ability to notify the school prior to the bus leaving at the scheduled time
7. Parents should arrive at their scheduled bus stop 10 minutes early

**Student bus scheduling and routing, governed by SVCS Board Policy, are as follows:**

1. Eligible students are scheduled for bus transportation between home and school. This is done in accordance with state law and rules and regulations for school bus transportation.
2. Students must ride the same bus 5 days a week. Students will be bused back to the same place he/she is scheduled to be picked up unless a change has been submitted.
3. On-going, repeated requests for a day to day variance will be denied based on the principal's discretion. 4. Requested changes must fit into a regular and manageable routing acceptable to the Principal, the bus driver, and Transportation Director.

## **Discipline and Code of Conduct**

Discipline will be enforced by all staff. Students will receive an initial warning. The second violation will result in a call made to the parent or guardian. Teacher or staff member will make two attempts to reach out to parents. After the student has been written up, received a verbal warning and a phone call is made home, a behavior form (form A) on disciplinary action will be issued to the vice principal or principal. If the student continues to be disciplined a 4th time suspension may occur. Suspension may be an in- school suspension or off site. An administrator will proceed to follow up with the parent or guardian to indicate how many days this suspension will occur and when the student can return to school. Possible expulsion can occur based on past discipline actions or severity of a single action

The charter school administration reserves the right to impose suspension or expulsion for any offenses enumerated within the school's Suspension & Expulsion Polic, even for a first offense.

# **Health & Safety**

## **Safety and Protection of Students**

To provide for the protection and the safety of students, teachers, employees, and school property, the public (except those persons exempted) is required to register in the school office prior to entering or remaining on the school premises during school hours. SVCS has a comprehensive safety plan on site. The plan is available to view at the school site.

## **Medical Emergency Contact and Pick-Up**

It is the school's expectation that parents provide an immediate contact number in case of illness or emergencies involving their child while at school. A parent/guardian or another person authorized by the parent should be available to pick up an ill child within 30 minutes of the school 's report of illness.

It is the parents' responsibility to provide accurate emergency contact information as a part of the Application for Enrollment and to promptly notify SVCS in writing of any changes in that contact information.

## **Administration of Medication**

Any student who is or may be required to take, during the regular school day, prescription medication prescribed or ordered for the student by an authorized health care provider may be assisted by the school nurse or designated SVCS personnel.

In order for a student to be assisted by the school nurse or other designated SVCS personnel in administering medication, SVA shall obtain both:

1. A written statement from the student's authorized health care provider detailing the name of the medication, method, amount/dosage, and time schedules by which the medication is to be taken, and
2. A written statement from the parent, foster parent, or guardian of the student indicating the desire that SVCS assist the student in the matters set forth in the statement of the authorized health care provider.

Students will be permitted to self-carry and self-administer prescription medication if an authorized health care provider has indicated that a student may need to take this medication or is required to take this medication during the regular school day. Prescription medication includes an Epi-Pen and inhaled asthma medication. In order to carry and self-administer this medication, SVCS must receive the following:

1. A written statement from the student's authorized health care provider (1) detailing the name of the medication, method, dosage/amount, and time schedules by which the medication is to be taken, and (2) confirming that the student is able to self-administer an Epi-Pen or inhaled asthma medication, and
2. A written statement from the parent, foster parent, or guardian of the student (1) consenting to the self-administration, (2) providing a release for the school nurse or designated SVCS personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and (3) releasing SVCS and SVCS personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication.

These written statements specified shall be provided at least annually and more frequently if the medication, dosage/amount, frequency of administration, or reason for administration changes.

If your child requires medication or treatment while at school, please provide the school with a completed —Authorization for Medication to be taken at School form. The medication **must** be in the original container. Never put medicine in your child's school bag, coat pocket, etc.

Non-prescription medication in the following categories may be given out only with WRITTEN parent consent, and only at the dose, duration, and method of administration specified on the manufacturer's label for the age or weight of the child needing medication: Sunscreens

Medication will be kept in the office until administered. Unused portions of the medication will be returned to the parent or disposed of properly.

### **EpiPen for Emergencies**

The EpiPen (epinephrine injection) was developed to help improve access to epinephrine in the event a person experiences a life-threatening allergic reaction in the school setting. Every school has staff that has been trained to administer this injection in an emergency.

### **Keeping Your ill Child Home - Guidelines for Parents**

Children with symptoms of communicable disease are likely to spread the disease to others.

Keep your child home if any of the following symptoms are present:

- **Diarrhea** \*Three or more watery stools in a 24- hour period, especially if the child acts or looks ill.
- **Vomiting** \*Vomiting on two or more occasions within the past 24 hours, or once in the morning before leaving for school.
- **Rash** \*A body rash not associated with heat or allergic reactions; especially with fever or itching. •
- **Eyes** \*Thick mucus or pus draining from the eye, or pink eye.
- **Appearance** \*Unusually tired, pale, lack of appetite, difficult to wake, confused or **Behavior** irritable.
- **Sore Throat** \*Especially if associated with fever or swollen glands in the neck.
- **Fever** \*Temperature of 100 degrees (F) or more and sore throat, rash, vomiting, diarrhea, earache, or just not feeling well.
- \*Children with mild cold symptoms who do not have any symptoms described above probably do not need to be excluded from school. However, chronic greenish nose discharge should be evaluated by your health care provider.
- **Head Lice** Children who have lice may not return to school until they are louse and nit (egg) free.

### When Your Child Is Sick, Consider...

...the protection of other children from communicable disease.

...the comfort and safety of the ill child.

...the capacity of the school to look after an ill child. With these considerations in mind, the following guidelines are given:

1. Any child too ill to participate in normal activities of the school may be excluded. This includes outdoor recess. Notes from parent is needed.
2. We recommend that children with temperatures between **99-100 degrees** go home. Children with temperatures over 100 will be excluded from school.
3. Children with a draining rash, eye discharge (pink eye), lice or nits, gastro-intestinal problems (i.e., vomiting, diarrhea) will be excluded from school.
4. Children with suspected or known cases of measles, mumps, rubella, or chicken pox will be excluded until non infectious. Children with generalized rash and fever are suspect of having measles and will be excluded pending diagnosis.
5. In addition to the illnesses mentioned (4), there may be other less common communicable diseases, which would necessitate exclusion for a period of time (i.e. COVID-19).
6. Children with chronic symptoms such as persistent cough or persistent fever warrant medical evaluation. Once appropriate medical evaluation is obtained, they may attend school unless they fall under the terms of 1-5 above.
7. Children with upper respiratory infection, but no fever, may be excluded for the protection of other children. Note needed from doctor.
8. Children on antibiotics who do not have a fever and are otherwise well may attend school.

9. Parents are asked to complete and update health records on admission, and to update them annually. They are also required to update them more frequently if the condition or medication changes.
10. No medication can be administered by school staff. With a note from a parent/custodian, the student can self medicate.
11. The school staff does not remove splinters or foreign objects from the skin.

Whenever a child attending school develops new symptoms of illness (whether mentioned above or not) or has a worsening of symptoms, the parents will be notified. The parents must make immediate arrangements for the child's removal from school. Ill children will be cared for in the office until the parents arrive.

### **Emergency Procedures**

As part of our continued pledge to have SVCS be a safe place for your children, we want to be prepared in the event of an emergency, such as earthquakes, bad storms, snow or any other natural disaster that may cause us to keep your children for hours beyond the school day.

### **The Release of Students After an Emergency:** (i.e., Earthquake, Lock-Down, etc.)

1. All parents/guardians must sign out their student(s) through the designated adult emergency school leader. There will be a specific area set up for student check-out. Included in the sign out will be documentation as to where the student is going.
2. Identification will be required of any parent/guardian claiming the child.
3. SVCS is the final authority on whether a student should or should not be released to the party claiming the child. After 72 hours, the school will contact agencies such as the Red Cross, the California National Guard, or Child Protective Services if the child has not been claimed by a parent/guardian. If the child is released to any such agency, release records at the school will record which agency took the child.
4. The school and its personnel will make every effort to ensure that the parent/guardian's wishes are complied with in an emergency. Any such instructions must be noted on the back of the emergency form or attached to the form on a separate sheet. (Keep emergency form current).
  - Principal and or Vice Principal signs the agreement and turns it in to attendance clerk.
  - All independent study agreements will be kept in the office.
  - Any failure to complete an independent study agreement, or if the independent study period is deemed too extensive, may result in **retention**.

### **Volunteers and Visitors**

Parent volunteering is strongly encouraged. Parents are welcome to volunteer at school in a variety of ways. Interested persons will receive an orientation, including training in appropriate behavior, dress, language, and confidentiality. Volunteers on site are identified in two categories: Examples of volunteer opportunities include:

Category 1: Room parents, book fair volunteers, science fair volunteers, day field trip chaperones, one-time classroom volunteers/presenters, tutors.

Category 1 volunteers must provide the following: Volunteer application, TB clearance, emergency card.

Category 2: Classroom volunteers or chaperones without teacher supervision, campus monitors, overnight field trip chaperones.

Category 2 volunteers must provide the following: Volunteer application, fingerprints, background check, TB clearance, emergency card, photo ID.

All visitors, including parents, must sign in at the site office and receive proper authorization to be in the school.

Visitors may be asked by the school site staff to display their passes as requested. The school site Administrator/ Principal may deny or withdraw access to the school if the visitor willfully disrupts the orderly operation of the school; commits an act likely to interfere with the peaceful conduct of school activities; or reasonably appears to have entered the school for the purpose of committing any such act. Visitors should make advance arrangements to meet with school staff to avoid the interruption of instructional time and work responsibilities.

### **Suicide Prevention**

As of the 2017-18 school year, SVCS has implemented plans on how to minimize and prevent the occurrence of student suicide both on and off campus. Teachers and staff receive up to date training on methods of spotting troubled students at risk, and further training on how to get those students help as needed. Parents or students with concerns are always welcome to contact the front office at (916) 596-6422. During hours when SVCS is closed, please contact the National Suicide Prevention Lifeline at (800) 273-8255.

### **Home and Hospital Services**

Home and Hospital Instruction Services may be provided to students who are temporarily disabled and unable to attend regular classes or alternative education programs due to verified temporary physical, mental, or emotional disability. Parents may apply, in writing, to the school nurse, attaching the doctor request, for home teaching services for their student at the school in which the student is enrolled. When a student is hospitalized or in a residential health facility located outside the school district, it shall be the primary responsibility of the parent to apply for instruction at the school district in which the hospital is located.

### **Alcohol, Drugs, and Tobacco Free Campus**

SVCS prohibits the use of all alcohol, illicit drugs, and tobacco products at all times on district grounds. The prohibition applies to all employees, students, and visitors at any activity. Students shall not drink or imbibe alcohol, consume illicit drugs by any means, or smoke, chew or possess tobacco or nicotine products on school property, school buses, at school-sponsored events, or while under the supervision of any employee.

# Academic Program

## Punjabi Language Course

All students, from Kindergarten through Eighth Grade, are enrolled in a Punjabi world language and culture course at SVCS. There is no exemption from the Punjabi world language course, as it is an integral part of our education plan. Consent to enrollment in the Punjabi world language and culture course is implied upon enrollment in SVCS.

## Homework Policy

The purpose of assigning homework is to strengthen academic skills, reinforce concepts taught by teachers, develop student responsibility and accountability, and to promote parent awareness. Homework is deemed to be an independent activity to be accomplished outside of the school day. Homework will generally fall into one or more of three categories and may include, but are not limited to the following:

1. **Practice:** This includes activities to reinforce skills.
2. **Preparation:** These are assignments designed to provide background information and focus on future class activities.
3. **Extension:** Creative activities such as book reports, science projects, and research are examples of such homework.
4. **Sustained:** Nightly reading of 30 minutes either parent to child, orally child to parent, or independently by student.

The amount of homework assigned shall be related to the maturational and ability level of students in a given class. Assignments of a longer nature will include checkpoint monitoring. It is the responsibility of the student to note and understand the homework assignment, complete it, and return it to school on the required day. Students neglecting to do homework may lose field trip or recess privileges. It is the parents' responsibility to monitor their child's work, assisting as appropriate. If you have any questions, please contact your child's classroom teacher. Some classes may have extended projects over break periods.

## Student Awards

Students receive awards for various topics such as Perfect Attendance, Academic Excellence, Citizenship, and other categories at the discretion of the teacher and administrators. Each trimester, at the time report cards are mailed out, students will receive Honor Roll or Principal's Honor Roll awards based on academic achievement. Students with a GPA for the term of 3.50 to 3.75 are eligible to be placed on the Honor Roll. Students with a GPA for the term of 3.76 to 4.00 will be eligible for the Principal's Honor Roll.

## Field Trips

Field trips are scheduled throughout the school year to enhance the educational curriculum. These trips are not a requirement, but a privilege. Any child who does not meet the classroom teacher's standards for behavior, attendance, academic effort, or homework, will be excluded from field trips. If a child is not allowed to participate, contact with the parent will be made prior to the trip and other classroom arrangements will be made. In order for any child to participate in a field trip experience, the school must

have a permission form signed by the parent or guardian. These forms must be sent home prior to each field trip. Parent drivers must carry \$100,000 liability insurance.

### **Promotion and Retention**

Decisions about promotion and retention of students are made on the basis of grade level English language arts and mathematics Common Core Standards, test scores, and other indicators of academic achievement designated by the school. Teachers must notify parents beginning in November and again in March if students are being considered for retention. Teachers must schedule with the Director of Special Services and the Student Study Team meeting that includes the parent, Director of Special Services and School Psychologist, Special services team and teachers. All retentions must have parent permission via signature.

### **Reporting to Parents**

Individual teachers are to communicate, in writing, the classroom grading policy to students and their parents at the beginning of the school year. The policy shall include homework requirements, make-up procedures, the weighing of course work as it pertains to the calculation of the final grade, and course expectations. Every effort is made to remain in contact with parents throughout the school year.

## **Appendix A: Parent Notifications**

### **Animal Dissections**

Students at the Charter School may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

### **Availability of Prospectus**

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

### **California Healthy Kids Survey**

The Charter School will administer the California Healthy Kids Survey ("CHKS") to students at grades five, seven, nine, and eleven whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables the

Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

### **Campus Search and Seizure**

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized, or contraband items and materials through a search based upon reasonable suspicion.

Student lockers, including P.E. lockers are school property and remain at all times under the control of the Charter School. Students shall assume full responsibility for the security of their lockers. Student lockers may not be used to store illegal, unauthorized, or contraband materials. The acceptance and use of locker facilities on school campus by any student shall constitute consent by the student to the search of such locker facilities by authorized school personnel and/or law enforcement. Inspections of lockers may be conducted by school personnel and/or law enforcement through the use of trained dogs.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

### **Cancer Prevention Act**

Students in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the federal Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human papillomavirus (HPV) immunization before admission or advancement to the eighth grade level of any private or public elementary or secondary school.

Because the vaccine is more effective when given at younger ages, two doses of HPV vaccine are recommended for all kids between the ages of 9 to 12 years, and the second dose should be given before the start of 8th grade. Kids who wait until later to get their first dose of HPV vaccine may need three doses.

HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks.

## **Concussion/Head Injuries**

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until the athlete is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

## **Diabetes**

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.

The Charter School will provide an information sheet regarding type 1 diabetes to the parent or guardian of a student when the student is first enrolled in elementary school, pursuant to Education Code Section 49452.6. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.
3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type1diabetes.asp>. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

## **Dangers of Synthetic Drugs**

The illicit use and abuse of synthetic drugs represents an emerging and ongoing public health threat in California. The fentanyl crisis specifically, has impacted communities across the state, leading to a sharp increase in fentanyl poisonings and deaths in recent years.

This notice aims to address the crisis with a preventative approach ensuring students and families are educated on the deadly consequences of recreational drug use.

A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but having a slightly altered chemical structure, especially such a drug created in order to evade existing restrictions against illegal substances.

Synthetic drugs include but are not limited to synthetic cannabinoids (“synthetic marijuana,” “Spice,” “K2”), methamphetamines, bath salts, and fentanyl.

The California Department of Public Health (“CDPH”) has expounded on the extreme danger of drugs laced with fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive. Illicit fentanyl has been found in many drugs, including heroin, methamphetamine, counterfeit pills, and cocaine. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Furthermore, it is nearly impossible to tell if drugs have been laced with fentanyl without additional testing, because fentanyl cannot be seen, smelled, or tasted when used as a lacing agent.

Additional information regarding fentanyl from the CDPH’s Substance and Addiction Prevention Branch [can be found here](#).

For a foster youth who is an individual with exceptional needs as defined in Education Code section 56026, “school” as used in the definition of “school of origin” includes a placement in a nonpublic, nonsectarian school as defined in Education Code section 56034, subject to the requirements of Education Code section 56325.

All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability, and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child, or child of a military family, as follows:

If the Charter School operates an intersession program, Charter School shall grant priority access to foster youths. Notwithstanding any other law, if the foster youth will be moving during an intersession period, the pupil's educational rights holder, or Indian custodian in the case of an Indian child, shall determine which school the pupil attends for the intersession period, if applicable. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. The Charter School shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational recordkeeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School’s Educational Records and Student Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent.

**Discipline Determinations:** If the Charter School intends to extend the suspension of any foster youth pending a recommendation for expulsion, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

**Complaints of Noncompliance:** A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

**Availability of Complete Policy:** For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School’s complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

**School Stability:** The Charter School will work with homeless students and their parent/guardian to ensure that each student is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all students, including, but not necessarily limited to, interscholastic sports. All decisions regarding a homeless student's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability, and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Homeless students have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a homeless student seeking re enrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). The Charter School will also immediately enroll any homeless student seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the Charter School.

The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. If, as a result of the hearing, the student is disenrolled, notice will be sent to the student's last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

If a student willfully damages the Charter School's property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, the Charter School may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

## **Safe Storage of Firearms**

The purpose of this notice is to inform and to remind parents and legal guardians of all students at the Charter School of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this notice spells out California law regarding the storage of firearms. Please take some time to review this notice and evaluate your own personal practices to assure that you and your family are in compliance with California law:

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.
  - The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.
- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.

The county or city may have additional restrictions regarding the safe storage of firearms. Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. ## **Student Records, including Records Challenges and Directory Information**

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Principal and or Vice Principal or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School’s Executive Director or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information (“PII”) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School’s Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student’s enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

5. The right to request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student’s education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student’s enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student’s cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to

notify the parent or eligible student of the request for records at the parent's or eligible student's last known address unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;

3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or non related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or

The disclosure may only include the final results of the disciplinary proceedings conducted by the Charter School with respect to that alleged crime or offense. The Charter School discloses the final results of the disciplinary proceeding regardless of whether the Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. ### **Tobacco-Free Schools**

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. The Charter School provides instructional programs designed to discourage students from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of the Charter School to provide a healthy environment for students and staff.

In the best interest of students, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, students, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from the Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Executive Director or designee shall inform students, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, the Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School's Board of Directors approved the LCAP or the annual update was adopted by the Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal the Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60)

calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation, or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director.

### **School Meals and Student Wellness**

Pursuant to California law, the Charter School shall make available a nutritionally adequate breakfast and a nutritionally adequate lunch free of charge and with adequate time to eat, during each school day to any student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one (1) free breakfast meal and one (1) free lunch meal during each school day. This shall apply to all pupils TK - kindergarten through grade twelve (12).

Applications for school meals are included in the first day packets to all families and can also be obtained on the Charter School website and in the main office. All families are encouraged to complete the application form. Completed application forms can be returned to the main office. Income eligibility guidelines for federally funded free and reduced-price meals are available at: <https://www.cde.ca.gov/ls/nu/rs/>

Based on a parent/guardian's annual earnings, a parent/guardian may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you a parent/guardian does not owe federal taxes, they must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at [www.irs.gov](http://www.irs.gov).

A parent/guardian may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of

the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at [www.ftb.ca.gov](http://www.ftb.ca.gov).

Charter School shall allow students, teachers, and staff to bring and carry water bottles. Water bottles may be excluded from libraries, computer labs, science labs, and other places where it is deemed dangerous to have drinking water. Charter School may develop additional policies regarding the types of water bottles that may be carried.

Charter School adheres to all applicable requirements regarding placement and maintenance of water bottle refilling stations on campus.

Charter School shall encourage water consumption through promotional and educational activities and signage that focus on the benefits of drinking water and highlight any water bottle filling stations that are located on campus.

A copy of the complete Policy, which includes the Charter School's meal charge policy, is available upon request at the main office. The Charter School also maintains a School Wellness Policy pursuant to state and federal requirements.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, Charter School is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

## **Title IX Policy Prohibiting Discrimination On The Basis Of Sex**

This Title IX Policy Prohibiting Discrimination on the Basis of Sex ("Policy") contains the policies and grievance procedures of Sacramento Valley Charter School ("SVCS" or "Charter School") to prevent and address sex discrimination, including but not limited to sexual harassment, sex-based hostile environment harassment, discrimination based on pregnancy or related conditions, sex-based discrimination in access to athletics or educational resources, and retaliation against a person who has reported sex discrimination.

Charter School does not discriminate on the basis of sex and prohibits any acts of sex discrimination in any education program or activity that it operates, as required by California law, Title IX (20 U.S.C. § 1681 *et seq.*) and the Title IX regulations (34 C.F.R. Part 106), including in admission and employment.<sup>5</sup> Charter School will take actions to promptly and effectively end any sex discrimination in its education program or activity, prevent its recurrence, and remedy its effects.

This Policy applies to conduct occurring in Charter School’s education programs or activities on or after August 1, 2024 including but not limited to incidents occurring on the school campus, during school-sponsored events and activities regardless of the location, and through school-owned technology, whether perpetrated by a student, parent/guardian, employee, volunteer, independent contractor or other person with whom Charter School does business.

## **Definitions**

### **Prohibited Sex Discrimination**

Title IX and California law prohibit discrimination on the basis of sex, including sex-based harassment and differences in the treatment of similarly situated individuals on the basis of sex with regard to any aspect of services, benefits, or opportunities provided by Charter School. Discrimination on the basis of sex includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.

### **Prohibited Sex-Based Harassment**

Under Title IX, “sex-based harassment” means conduct on the basis of sex that satisfies one or more of the following:

- Hostile environment harassment is unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person’s ability to participate in or benefit from Charter School’s education program or activity (i.e., creates a hostile environment).   - The parties’ ages, roles within Charter School’s education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

  - Sexually oriented or sex-based gestures, notices, epithets, slurs, remarks, jokes, or comments about a person's sexuality or sexual experience.

- Preferential treatment or promises of preferential treatment to an individual for submitting to sexual conduct, including soliciting or attempting to solicit any individual to engage in sexual activity for compensation or reward or deferential treatment for rejecting sexual conduct.
  - Subjecting or threats of subjecting a student or employee to unwelcome sexual attention or conduct or intentionally making the student's or employee's performance more difficult because of the student's or the employee's sex.
  - Retaliation against an individual who has articulated a good faith concern about sex-based harassment.
- Sexual or discriminatory displays or publications anywhere in the work or educational environment, such as:
    - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning, or pornographic or bringing or possessing any such material to read, display or view in the work or educational environment.
    - Reading publicly or otherwise publicizing in the work or educational environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning, or pornographic.
    - Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations above are not to be construed as an all-inclusive list of sex-based harassment acts prohibited under this Policy.

**Complainant** means a student or employee who is alleged to have been subjected to conduct that could constitute sex-based discrimination, or a person other than a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination and who was participating or attempting to participate in Charter School's education program or activity at the time of the alleged sex discrimination. Complaints may also be made by: (1) a parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant; or (2) Charter School's Title IX Coordinator. For complaints of sex discrimination other than sex-based harassment, complaints can also be made by any student, employee, or other person who was participating or attempting to participate in Charter School's education program or activity at the time of the alleged sex discrimination.

**Complaint** means an oral or written request to Charter School that objectively can be understood as a request for Charter School to investigate and make a determination about alleged sex discrimination.

**Confidential Employee** means an employee of Charter School whose communications are privileged or confidential under Federal or State law (e.g., a licensed therapist or psychologist, etc.) or an employee whom Charter School has designated as confidential under Title IX for the purpose of providing services to persons related to sex discrimination.

**Party** means a complainant or respondent.

**Respondent** means a person who is alleged to have violated Charter School's prohibition on sex discrimination.

**Supportive Measures** are individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to a party to (1) restore or preserve that party's access to Charter School's education program or activity, including measures that are designed to protect the safety of the parties or Charter School's

educational environment; or (2) provide support during Charter School’s grievance procedures or during an informal resolution process.

### **Title IX Coordinator**

The Board of Directors of Charter School (“Board”) has designated the following employee as the Title IX Coordinator (“Coordinator”):

Dr. Cerrene Cervantes  
2399 Sellers Way  
West Sacramento, CA. 95691  
916-596-6422  
[dcervantes@sacvalleycharter.org](mailto:dcervantes@sacvalleycharter.org)

The Coordinator is responsible for coordinating Charter School’s efforts to comply with the requirements of Title IX, receiving reports and complaints of sex discrimination and inquiries about the application of Title IX, addressing reports and complaints of sex discrimination and taking other actions as required by this Policy, monitoring for barriers to reporting conduct that reasonably may constitute sex discrimination, and taking steps reasonably calculated to address such barriers.

The Coordinator may serve as an investigator and/or decision maker for complaints, except in cases where doing so would constitute a conflict of interest. The Coordinator may delegate one or more of their duties to one or more designees who have received the required Title IX training and do not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. However, the Coordinator must at all times retain ultimate oversight over those responsibilities and ensure Charter School’s consistent compliance with Title IX.

### **Reporting Sex Discrimination**

All employees who are not a confidential employee must promptly notify the Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination under Title IX. This requirement does not apply to an employee when the employee is the person who was subjected to the conduct that reasonably may constitute sex discrimination.

Students are expected to report all incidents of misconduct prohibited by this Policy. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Principal and Vice Principal ,Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Charter School will promptly and effectively investigate and respond to all oral and written complaints and reports of misconduct prohibited by this Policy. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

### **Privacy**

Charter School acknowledges and respects every individual’s right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to

the greatest extent possible. This includes but is not limited to keeping the identity of the reporter and other personally identifiable information confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or designee on a case-by-case basis.

### **Retaliation**

Charter School prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a complaint in accordance with the grievance procedures set forth in this Policy.

Nothing in this Policy precludes Charter School from requiring an employee or other person authorized by Charter School to provide aid, benefit, or service under Charter School's education program or activity to participate as a witness in, or otherwise assist with, an investigation or proceeding under this Policy.

### **Confidential Employees**

Contact information for the confidential employees at Charter School, if any, can be found on the Charter School website or obtained from the Coordinator.

A confidential employee's status as confidential, for Title IX purposes, is only with respect to information received while the employee is functioning within the scope of their duties to which privilege or confidentiality applies or with respect to information received about sex discrimination in connection with providing services to persons related to sex discrimination.

A confidential employee must explain the following to any person who informs them of conduct that reasonably may constitute sex discrimination under Title IX:

- The employee's status as confidential for purposes of Title IX, including the circumstances in which the employee is not required to notify the Coordinator about conduct that reasonably may constitute sex discrimination;
- How to contact the Coordinator and how to make a complaint of sex discrimination; and
- That the Coordinator may be able to offer and coordinate supportive measures, as well as initiate an informal resolution process or an investigation under the grievance procedures.

### **Coordinator's Response to Reports of Sex Discrimination**

When notified of conduct that reasonably may constitute sex discrimination, the Coordinator or designee must:

- Treat complainants and respondents equitably;
- Promptly offer and coordinate supportive measures, as appropriate, for the complainant;
- If grievance procedures are initiated or an informal resolution process is offered; offer and coordinate supportive measures, as appropriate, for the respondent; and
- Notify the complainant or, if the complainant is unknown, the reporting individual, of the grievance procedures and informal resolution process, if available and appropriate. If a complaint is made, the Coordinator will notify the respondent of the same.

In response to a complaint, the Coordinator will initiate the grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties. In the absence of a complaint or the withdrawal of any or all of the allegations in a complaint, and in the absence or termination of an informal resolution process, the Coordinator must determine whether to initiate a complaint by considering, at a minimum:

- Complainant's request not to proceed with a complaint and the complainant's reasonable safety concerns;
- Risk that additional acts of sex-based discrimination would occur if a complaint is not initiated;

- Severity of the alleged conduct, including whether the discrimination, if established, would require removal or discipline of a respondent to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee;
- The scope of the alleged conduct including but not limited to whether there is a pattern, ongoing conduct, or impact to multiple individuals;
- The availability of evidence and the complainant's willingness to participate in the grievance procedures; and
- Whether Charter School could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

The Coordinator may initiate a complaint if the conduct as alleged presents an imminent and serious threat to the health or safety of the complainant or other person, or prevents Charter School from ensuring equal access on the basis of sex to its education program or activity. The Coordinator or designee must notify the complainant before initiating a complaint and appropriately address reasonable safety concerns, including by providing supportive measures.

The Coordinator will take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Charter School's education program or activity.

### **Supportive Measures**

Once notified of conduct that reasonably may constitute sex discrimination under Title IX, the Coordinator or designee will promptly contact the complainant to offer and coordinate supportive measures, as appropriate, for the complainant. If the grievance procedures are initiated or informal resolution is offered, the Coordinator or designee will offer and coordinate supportive measures, as appropriate, for the respondent.

Supportive measures may include but are not limited to: counseling; extensions of deadlines and other course-related adjustments; campus escort services; increased security and monitoring of certain areas of the campus; restrictions on contact applied to one or more parties; leaves of absence; changes in class, work, housing, or extracurricular or any other activity, regardless of whether there is or is not a comparable alternative; and training and education programs related to sex-based harassment.

Supportive measures must not unreasonably burden either party or be imposed for punitive or disciplinary reasons. Supportive measures will be designed to protect the safety of the parties or Charter School's educational environment, or to provide support during the grievance procedures or the informal resolution process.

Parties may contact the Coordinator to discuss modification of any supportive measures. Parties also have the opportunity to seek modification or termination of a supportive measure applicable to them if circumstances change materially.

If the party is not satisfied with the Coordinator's decision on the request to modify supportive measures, the party may contact Principal at 916-596-6422], who is an appropriate and impartial employee or who may designate such an employee, to seek modification or reversal of Charter School's decision to provide, deny, modify, or terminate supportive measures applicable to them. The impartial employee is someone other than the Coordinator who made the challenged decision and has the authority to modify or reverse the decision.

If a party is a student with a disability, the Coordinator must consult with one or more members of the student's IEP Team and 504 Team, if any, in the implementation of supportive measures for that student.

### **Informal Resolution**

At any time prior to determining whether sex discrimination occurred under Charter School's Title IX grievance procedures, Charter School may offer an informal resolution process to the parties. Charter School does not offer or facilitate informal resolution to resolve a complaint that includes allegations that an employee engaged in sex-based harassment of an elementary school or secondary school student, or when such a process would conflict with Federal, State, or local law.

Before initiation of the informal resolution process, the parties will be provided with notice that explains:

- The allegations;
- The requirements of the informal resolution process;
- The right to withdraw and initiate or resume the grievance procedures;
- That the parties' agreement to a resolution at the conclusion of the informal resolution process precludes the parties' use of the grievance procedures arising from the same allegations;
- The potential terms that may be requested or offered in an informal resolution agreement (e.g., restrictions on contact and participation in activities or events) including notice that an informal resolution agreement is binding only on the parties; and
- What information is retained and whether and how it may be disclosed by Charter School for use in grievance procedures if the grievance procedures are initiated or resumed.

Parties will not be required or pressured to agree to participate in the informal resolution process. Charter School will obtain the parties' voluntary consent to participate in the informal resolution process. Parties may end the informal resolution process and proceed with the grievance procedures at any time.

The facilitator of the informal resolution process will not be the same person as the investigator or the decisionmaker in the grievance procedures. The facilitator cannot have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The Coordinator will take appropriate prompt and effective steps to ensure sex discrimination does not continue or recur.

## **Grievance Procedures**

### **Scope and General Requirements**

Charter School has adopted these grievance procedures to provide for the prompt and equitable resolution of complaints of made by students, employees, or other individuals who are participating or attempting to participate in Charter School's education program or activity, or by the Title IX Coordinator, alleging any action that would be prohibited by Title IX. Upon receipt of a complaint, the Coordinator or designee will promptly initiate these grievance procedures, or the informal resolution process if available, appropriate, and requested by all parties.

Charter School requires that any Title IX Coordinator, investigator, or decisionmaker not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A decisionmaker may be the same person as the Coordinator or investigator.

Charter School will treat complainants and respondents equitably. Charter School presumes that the respondent is not responsible for the alleged sex discrimination until a determination is made at the conclusion of its grievance procedures.

Charter School may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances.

Charter School allows for the reasonable extension of time frames on a case-by-case basis for good cause with notice to the parties that includes the reason for the delay. Requests for extensions must be submitted to the Coordinator in writing at least one (1) business day before the expiration of the timeframe. If a timeframe is

extended, the Coordinator or designee will notify the parties of the new timeframe and the reason for the delay.

Charter School will take reasonable steps to protect the privacy of the parties and witnesses during its grievance procedures. These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses; consult with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the grievance procedures. The parties shall not engage in retaliation, including against witnesses.

Charter School will objectively evaluate all evidence that is relevant and not otherwise impermissible—including both inculpatory and exculpatory evidence.<sup>6</sup> Credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.

If a party is a student with a disability, the Coordinator or designee must consult with one or more members, as appropriate, of the student’s IEP Team and 504 Team, if any, to determine how to comply with the requirements of the Individuals with Disabilities Education Act (“IDEA”) and Section 504 of the Rehabilitation Act of 1973 (“Section 504”) throughout the grievance procedures.

### **Dismissal**

In most cases, Charter School will determine whether a complaint is dismissed within fifteen (15) business days of receipt of the complaint.

Charter School may dismiss a complaint if:

- Charter School is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in Charter School’s education program or activity and is not employed by Charter School;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Coordinator declines to initiate a complaint, and Charter School determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute sex discrimination under Title IX even if proven; or
- Charter School determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Prior to dismissing the complaint on this ground, Charter School will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the Coordinator or designee must promptly notify the complainant in writing of the basis for the dismissal and the complainant’s right to appeal the dismissal on the following grounds within five (5) business days of the dismissal notice:

- Procedural irregularity that would change the outcome;
- New evidence that would change the outcome and that was not reasonably available when the determination whether sex-based harassment occurred or dismissal was made; and
- The Coordinator, investigator, or decision maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

If the dismissal occurs after the respondent has been notified of the allegations, then the Coordinator or designee must also simultaneously notify the respondent in writing of the dismissal, the basis for the dismissal, and the respondent’s right to appeal the dismissal on the above grounds within five (5) business days of the dismissal notice.

---

<sup>6</sup> Inculpatory means tending to impute guilt or fault, and exculpatory means tending to absolve from guilt or fault.

If the complaint is dismissed, the Coordinator or designee will offer supportive measures to the complainant, as appropriate. The Coordinator or designee will also offer supportive measures to the respondent, as appropriate, if the respondent has been notified of the allegations. The Coordinator will continue to take appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur. Dismissal does not preclude action under another applicable Charter School policy.

### **Appeal of a Dismissal**

If a dismissal is timely appealed in accordance with this Policy, the Coordinator or designee will promptly notify the parties in writing of the appeal, including notice of the allegations if such notice was not previously provided to the respondent, the contact information for the decisionmaker for the appeal, and the parties' right to submit a statement to the decisionmaker of the appeal in support of, or challenging, the outcome within five (5) business days of the appeal notice.

The decisionmaker for the appeal will be someone who has received the required Title IX training and did not take part in an investigation of the allegations or dismissal of the complaint. The appeal procedures will be implemented equally for the parties. Within fifteen (15) business days of the appeal notice to the parties, the decisionmaker will notify the parties in writing of the result of the appeal and the rationale for the result.

### **Notice of the Allegations**

Upon initiation of the grievance procedures, the Coordinator or designee will provide notice of the allegations to the parties whose identities are known. The notice will include:

- Charter School's grievance procedures and any informal resolution process;
- Sufficient information available at the time to allow the parties to respond to the allegations. Sufficient information includes the identities of the parties involved in the incident(s), the conduct alleged to constitute sex discrimination under Title IX, and the date(s) and location(s) of the alleged incident(s), to the extent that information is available to Charter School;
- A statement that retaliation is prohibited; and
- A statement that the parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence or an accurate description of this evidence; and if Charter School provides a description of the evidence, the parties are entitled to an equal opportunity to access to the relevant and not otherwise impermissible evidence upon the request of any party.

### **Emergency Removal**

Charter School may place a non-student employee respondent on administrative leave during the pendency of the grievance procedures in accordance with Charter School's policies.

Charter School may remove a respondent from Charter School's education program or activity on an emergency basis, in accordance with Charter School's policies, provided that Charter School undertakes an individualized safety and risk analysis, determines that an imminent and serious threat to the health or safety of any person arising from the allegations of sex discrimination justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision must not be construed to modify any rights under the IDEA, Section 504, or the ADA.

### **Investigation**

Investigations of complaints will be adequate, reliable, and impartial. In most cases, a thorough investigation will take no more than twenty-five (25) business days. Charter School has the burden to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred. The investigator will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance in accordance with Title IX.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be used, accessed, or considered, except by Charter School to determine whether one of the exceptions listed below applies, and will not be disclosed), regardless of whether they are relevant:

- Evidence that is protected under a privilege recognized by Federal or State law or evidence provided to a confidential employee, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality;
- A party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless Charter School obtains that party's or witness's voluntary, written consent for use in the grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless evidence about the complainant's prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.

The parties will have an equal opportunity to present fact witnesses and other inculpatory and exculpatory evidence that is relevant and not otherwise impermissible and to access such evidence. The parties may submit a written response to the investigator within five (5) business days of being provided with access to the evidence or an accurate description of it. The parties' timely submitted written responses, if any, will be considered by the investigator and decisionmaker before a determination of responsibility is made.

Charter School will take reasonable steps to prevent and address any unauthorized disclosure of information or evidence by the parties.

### **Determination of Responsibility**

Before making a determination of responsibility, the decisionmaker may question parties and witnesses to adequately assess a party's or witness's credibility to the extent credibility is in dispute and relevant to evaluating one or more allegations of sex discrimination.

Determinations will be based on an objective evaluation of all relevant and not otherwise impermissible evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

Within fifteen (15) business days of the expiration of the timeframe for the parties to submit a written response to the evidence or an accurate description of it, the decisionmaker will notify the parties in writing of the determination whether sex discrimination occurred including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal.

### **Appeal of the Determination of Responsibility**

Should a party find Charter School's determination unsatisfactory, the party may, within five (5) business days of notice of Charter School's determination, submit a written appeal to the Chair of the Charter School Board, who will serve as the decision maker for the appeal or designate a decisionmaker for the appeal. The decision maker for the appeal must not have taken part in the investigation of the allegations.

The decision maker for the appeal will: 1) notify the other party of the appeal in writing; 2) implement appeal procedures equally for the parties; 3) allow the parties to submit a written statement in support of, or challenging, the outcome within five (5) business days of the appeal or notice of the appeal; and 4) within

fifteen (15) business days of the appeal, issue a written decision to the parties describing the result of the appeal and the rationale for the result.

### **Consequences**

Students or employees who engage in misconduct prohibited by this Policy may be subject to disciplinary action up to and including expulsion from Charter School or termination of employment. If there is a determination that sex discrimination occurred, the Coordinator or designee will coordinate the provision and implementation of any remedies and/or disciplinary sanctions ordered by Charter School including notification to the complainant of any such disciplinary sanctions. The Coordinator will take appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Charter School's education program or activity.

No party, witness, or other person participating in Charter School's grievance procedures will be disciplined for making a false statement or for engaging in consensual sexual conduct based solely on Charter School's determination whether sex discrimination occurred.

### **Student Pregnancy and Related Conditions**

Charter School will not discriminate against any student or applicant based on their current, potential, or past pregnancy or related conditions. For more information about policies and procedures applicable to employees who are pregnant or have a related condition, please refer to the Charter School employee handbook.

When a student, or a person who can legally act on behalf of the student, informs any employee of the student's pregnancy or related condition, unless the employee reasonably believes that the Coordinator has already been notified, the employee must promptly:

- Provide that person with the Coordinator's contact information; and
- Inform that person that the Coordinator can coordinate specific actions to prevent sex discrimination and ensure the student's equal access to Charter School's education programs and activities.

If a student, or a person who has a legal right to act on behalf of the student, notifies the Coordinator of the student's pregnancy or related condition, the Coordinator or designee must promptly:

- Inform the student, and if applicable, the person who notified the Coordinator of the student's pregnancy or related conditions and has a legal right to act on behalf of the student, of Charter School's obligations under:
  - 34 C.F.R. § 106.40(b)(1) through (5), which relates to the rights of students who are pregnant or have a related condition; and
  - 34 C.F.R. § 106.44(j), which includes rules on disclosures of personal information;
- Provide Charter School's Title IX notice of nondiscrimination; and
- Consult with the student about potential reasonable modifications to policies, practices, or procedures as necessary to prevent sex discrimination and ensure equal access, and if the student accepts an offered reasonable modification, implement the modification.

A student who is pregnant or has a related condition will be provided with a lactation space other than a bathroom, that is clean, shielded from view, free from intrusion from others, and may be used for expressing breast milk or breastfeeding as needed.

A student who is pregnant or has a related condition may voluntarily take a leave of absence for the time deemed medically necessary by the student's licensed healthcare provider, or if the student so chooses, the time allowed under any Charter School leave policy for which the student qualifies. A pregnant or parenting student is entitled to eight weeks of parental leave, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or

expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant.

Upon the student's return from leave, the student will be reinstated to the academic status, and, as practicable, to the extracurricular status that the student held when the leave began. The student will not be required to provide any kind of certification demonstrating their ability to physically participate in any class, program, or extracurricular activity unless:

- The certified level of physical ability or health is necessary for participation in the class, program, or extracurricular activity;
- Such certification is required of all students participating in the class, program, or extracurricular activity; and
- The information obtained is not used as a basis for sex discrimination.

Students who are pregnant or have a related condition will not be required to provide supporting documentation unless necessary and reasonable to determine reasonable modifications or additional actions related to lactation space, leaves of absence, or voluntary access to any available separate and comparable portion of the program.

### **Training**

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All employees, Coordinators and designees, investigators, decisionmakers, and other persons who are responsible for implementing Charter School's grievance procedures or have the authority to modify or terminate supportive measures will receive Title IX and sexual harassment training and/or instruction concerning sexual harassment as required by law.

### **Recordkeeping**

Charter School will maintain the following records for at least seven (7) years:

- For each complaint of sex discrimination, records documenting the informal resolution process or the grievance procedures, and the resulting outcome.
- For each notification the Coordinator receives of information about conduct that reasonably may constitute sex discrimination, records documenting the actions Charter School took to meet its obligations under 34 C.F.R. § 106.44.
- All materials used to provide required Title IX training. Charter School will make these training materials available upon request for inspection by members of the public.

The above records will be maintained in a secure location until destroyed in accordance with applicable laws and regulations.

**Suspension & Expulsion Policy**

The Suspension and Expulsion Policy and Procedures have been established in order to promote learning and protect the safety and wellbeing of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.* which describe the offenses for which students at non charter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions and involuntary removal. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals, and, as necessary, modification of the lists of offenses for which students are subject to suspension, expulsion, or involuntary removal.

Consistent with this Policy, it may be necessary to suspend or expel a student from regular classroom instruction. This shall serve as the Charter School's policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. Charter

School staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This policy and its procedures will be printed and distributed annually as part of the Student Handbook which will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff, or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians<sup>7</sup> are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this policy and its procedures are available upon request at the Executive Director's office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law requires additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian, and shall inform the student, and the student's parent/guardian, of the basis for which the student is being involuntarily removed and the student's parent/guardian's, right to request a hearing to challenge the involuntary removal. If a student's parent/guardian requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions before the effective date of

---

<sup>7</sup> The Charter School shall ensure that a homeless child or youth's educational rights holder; a foster child or youth's educational rights holder, attorney, and county social worker; and an Indian child's tribal social worker and, if applicable, county social worker have the same rights as a parent or guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, involuntary removal notice, and other documents and related information. For purposes of this Policy and its Procedures, the term "parent/guardian" shall include these parties.

the action to involuntarily remove the student. If the student's parent/ guardian requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. Suspensions shall be initiated according to the following procedures:

#### **1. Conference**

Suspension shall be preceded, if possible, by a conference conducted by the Principal or Vice Principal with the student and his or her parent/guardian and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Principal or Vice Principal

The conference may be omitted if the Principal or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials.

Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

#### **2. Notice to Parents/Guardians**

At the time of the suspension, the Principal or Vice Principal shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

#### **3. Suspension Time Limits/Recommendation for Expulsion**

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Principal or Principal’s designee, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made

only after a conference is held with the pupil or the pupil's parents unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the Principal or Vice Principal upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

#### 4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the student, or the affected student, a teacher shall provide to a student in any of grades 1 to 12, inclusive, who has been suspended from school for two (2) or more school days, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

#### **D. Authority to Expel**

As required by Education Code Section 47605(b)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board following a hearing before it or by the Charter School Board upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil or a Board member of the Charter School's governing board. Each entity shall be presided over by a designated neutral hearing officer. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Charter School Board shall make the final decision.

#### **E. Expulsion Procedures**

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Principal or designee determines that the Pupil has committed an expellable offense.

In the event an administrative panel hears the case, it will make a recommendation to the Charter School Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the student makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

- 1) The date and place of the expulsion hearing;
- 2) A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
- 3) A copy of the Charter School's disciplinary rules which relate to the alleged violation;
- 4) Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment;
- 5) The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- 6) The right to inspect and obtain copies of all documents to be used at the hearing;
- 7) The opportunity to confront and question all witnesses who testify at the hearing;
- 8) The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

#### **F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses**

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the Administrative Panel or Board of Directors ("entity") conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or

contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

### **G. Record of Hearing**

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

### **H. Presentation of Evidence**

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board who will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

This notice shall include the following: a) The student's name b) The specific expellable offense committed by the student, c) Information regarding rehabilitation and readmission, and d) Information regarding alternative education options.

### **J. Disciplinary Records**

The Charter School shall work cooperatively with parents/guardians to assist with locating alternative placements during expulsion.

### **M. Rehabilitation Plans**

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to the Charter School for readmission.

## **N. Readmission or Admission of Previously Expelled Student**

The decision to readmit a student after the end of the student's expulsion term or to admit a previously expelled student from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term, shall be in the sole discretion of the Board of Directors following a meeting with the Executive Director or designee and the student and student's parent/guardian to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Principal or Vice Principal shall make a recommendation to the Board of Directors following the meeting regarding the Principal or designee's determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting any action taken during closed session consistent with the requirements of the Brown Act. Students who are involuntarily removed for truancy will be given a rehabilitation plan and will be subject to the readmission procedures set forth herein.

## **Q. Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities**

### **a. Notification of District**

The Charter School shall immediately notify the District and coordinate the procedures in this policy with the District of the discipline of any student with a disability or student who the Charter School or District would be deemed to have knowledge that the student had a disability

b. Services During Suspension

Students suspended for more than ten (10) consecutive school days or pursuant to a series of removals totaling more than 10 school days and constituting a pattern in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting. Any such change in placement is a determination made by the IEP team.

c. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- i. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- ii. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a) Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b) If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c) Return the child to the placement from which the child was removed unless the parent and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent, and relevant members of the IEP/504 team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

#### d. Due Process Appeals

The parent of a child with a disability who disagrees with any decision regarding placement pursuant to 34 C.F.R. §300.530, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) school day time period provided for in an interim alternative educational setting unless the parent and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or others.

#### e. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Principal or Vice Principal/ Director of Special Services may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student’s disability in cases where a student:

- i. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- ii. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- iii. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

f. Interim Alternative Educational Setting

The student’s interim alternative educational setting shall be determined by the student’s IEP/504 team.

g. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School’s disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- i. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to the Charter School supervisory or administrative personnel, or to one of the child’s teachers, that the student is in need of special education or related services.
- ii. The parent has requested an evaluation of the child.
- iii. The child’s teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student’s disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

### **Staff-Student Interactions Policy**

While the use of appropriate touching is part of daily life and is important for student development, teachers and other staff members must ensure that they do not exceed appropriate behavior. If a child or other staff member specifically requests that he or she not be touched, then that request must be honored without question.

#### **Boundaries Defined**

For the purposes of this policy, the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

#### **Acceptable and Unacceptable Behaviors**

Some activities may seem innocent from a staff member’s point-of-view but could be perceived as flirtation or sexual insinuation from the perspective of students or parents. There is no single reasonable person standard. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or “grooming.” Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction. Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Violations could subject the teacher or staff member to discipline up to and including termination. *Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.* Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Excessive force is absolutely prohibited.

### Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of misconduct, he or she must report the suspicion to the Principal and or Vice Principal promptly. Reasonable suspicion means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe the conduct likely occurred. Prompt reporting of observations falling into the

unacceptable range of adult behavior with students is essential to protect students, the staff member, any witnesses, and the school as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

### Investigating

The Principal and or Vice Principal will promptly initiate an investigation and document the investigation of any allegation of sexual misconduct or inappropriate behavior involving any School stakeholder, using such support staff or outside assistance, as he or she deems necessary and appropriate under the circumstances. The investigating administrator shall consult with legal counsel to determine the proper grievance process, and the proper process to notify the parties and the Governing Board about the given grievance process, as appropriate. Throughout this fact-finding process, the investigating administrator, and all others privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible. Upon completion of any such investigations, the Principal shall report to the Board of Directors any conclusions reached.

### Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to the authorities for potential legal action.
