Catalog Sales: \$1,697.60 to be split between teachers and PTO
PTO Membership: \$210
Movie Night: \$357
Total in PTO account: \$7,966
- IV. **Upcoming PTO Events-**
 1. Science Night is on December 20th from 6-7:30pm in the multipurpose room. Dr. Singh informed us that the purpose of this event is to involve everyone in projects to embrace common core next generation standards. PTO plans to have a table with information on meeting dates and membership opportunities and also possibly sell slime.
 2. Anti-Bullying Assembly is on Monday, December 4.
 3. Sweat Fitness is every Friday during school, it encourages scholars to make healthy choices and work on character development on top of physical exercise.
 4. Teacher/PTO vs. Student Basketball game is scheduled for December 16. Daljit Ghuman is heading a committee to plan and execute this endeavor. There will be a practice for all interested on Tuesday, December 5 after school. At this time, the information we have is that there will be 4-5 teams competing from 10-3pm at Westmore Elementary School. The event has free admission and we plan to sell pizza, soda, water, popcorn, and candy at a concession stand. We request any volunteers interested to sign up to help run the concession stand and are accepting monetary donations to sponsor the event. PTO leadership plans to meet with Daljit in the next week to get more details.
- V. **Open Agenda-**
 1. Dr. Singh invited anyone with concerns to bring them directly to his attention and emphasized that his door is always open.

2. A parent brought up the lunch menu and requested we revisit what we offer. It was decided that we should create a list of all menu items and send it home for parents and students to have them vote on favorites and revisit this at a future meeting.
3. It was also brought to our attention that there has been a confirmed lice case at the school and a parent did not feel it has been handled in a timely manner. Dr. Singh informed us that a letter was sent home today with information regarding this and recommendations on how to handle it if it is found in another home.
4. Next meeting has been moved to January 12, 2018 at 6pm due to winter break.
