Hello 1st Grade Parents,

I am writing this to update you that we have finally found a permanent credentialed teacher for your scholar's class.

Mrs. Julia McGee will continue to engage the class with the same rigor your scholars have experienced since the beginning of this school year. She has a dual career in teaching and holds an Ed.D. and M. Ed. from the University of the Pacific, a B.S. in Industrial Technology from Southern Illinois University, and a clear multiple subject teaching credential. Ms. McGee has worked in elementary schools as a credentialed teacher for three years. On top of this, she has experience in the U.S. Air Force on active duty and reserve. Mrs. McGee is excited to develop an intrinsic desire for continuous learning amongst students as we strive to meet our goals.

Ms. McGee is planning to meet with you during preliminary parent - teacher conferences on September 21-22 and will update you about your scholars' current progress.

If you have any questions, please don't hesitate to contact the office.
