Sacramento Valley Charter School Parent Newsletter

Dear Parents and Family Members,

We hope your child's four weeks of school have been a positive learning experience. Thank you for your confidence and commitment to working with us to help your scholar have a great future. At SVCS, we encourage our students to be successful not only academically, but also emotionally, socially, and personally. We need your active participation and cooperation in this task.

The most important factor in children's social emotional health is avoiding violence and hurtful language at home and in the community. You may assist your child by providing a nutritious meal, establishing a sleeping pattern, checking their homework, and staying up to date on the school calendar. Please remember attendance and being on time is important. Please refer to our parent handbook on the school website for detailed information about chronic absenteeism and tardiness. If you have trouble arriving on time or have transportation issues, please let us know if you need our assistance. We want to ensure your child has the best academic success.

We are now completing ELPAC (Initial) evaluations for all children who are new to SVCS and speak more than one language at home, as well as those who are new immigrants. This is to give your child with expedited care. If you receive a call from a teacher, please do not skip meeting with your students' teacher.

On September 26, 2022, we will offer CAASPP Interim examinations to students in grades 3-8 to assess their reading, writing, and math skills. All other grades will take assessments created by the teacher. We will share the information with you in due course.

At SVCS scholars learn, compete, and excel to make a difference!

Dr. Amrik Singh, Principal

September

After School Program: Parents the After School Program is going to start September 19th 2022. If you are interested please che registration form. The forms are due by September 13th 2022.

PTO Meeting: A meeting will be held in the MPR on September 30th 2022 at 5:00 p.m. We would love for you to attend this meeting, to go over extra-curricular activities the school is having. We welcome and appreciate your participation!

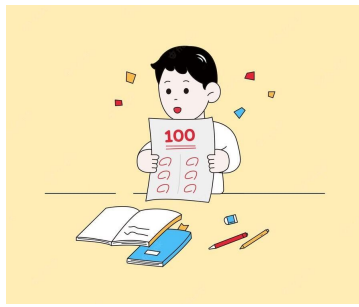

Glassware: Please be aware no glassware or lunch containers containing glass are allowed on campus. This is for safety reasons, and following policies. Please keep all glassware at

SEL (Social Emotional Learning): Social Emotional Learning is back this year, from Sacramento State University. Students will have the opportunity to be apart of the experience and build social skills with an exceptional group of college students. They will be here every Tuesday through-out the school year.

ELPAC testing: ELPAC testing has begun. If your scholar is an EL student, they will be tested to see how much they have advanced in March and May. Parents will be notified of the dates, which your child will be tested on.

September 21st and 22nd 2022: Teachers will be reaching out to you if your scholar is academically struggling. Please be vigilant of these dates and plan accordingly, meeting times will be between 1:30 p.m. and 4:00 p.m.

CAASPP Interim Testing: On September 26th-30th, we will offer

CAASPP Interim examinations to students in grades 3-8 to assess their reading, writing, and math skills. All other grades will take assessments created by the teacher. We will share the information with you in due

course. If you have any questions please contact the office. (916) 596-6422

-Don't forget Picture Day-

Picture Day is **September 27th**. Please have your scholar in complete uniform, we need to make sure everyone is following the dress code policy. Scholars will only be permitted to have their photo taken if they are in school uniform.

Physical Education Update:

We currently have a **SWEAT Team** which gives all our scholars the ability to exercise their minds and bodies! PE is extremely important to us and the knowledge that our new SWEAT coaches bring will make our scholars stronger.

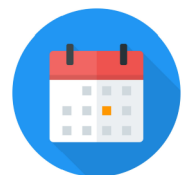

Independent Study: We discourage parents from planning trips and enrolling their students in independent study during the school year. Missing crucial concepts and lessons can affect students’ performance and success. Please do not plan a trip where your scholar will be missing an exceptional amount of time at the expense of their testing scores and promotion to the next grade. **If you do in fact need to request a short independent study for your child please follow these steps:**

1. Call and inform our office in at least 3 weeks advance
2. Provide written notice of the request to the office and teacher
(Written notice is not a formal contract and does not guarantee approval)
3. Schedule a meeting with the Principal where you can talk through plans and discuss the consequences of an extended vacation.
4. Submit and sign a final contract (if approved) to the office.

Dates to Remember
