2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

expenditure to meet students' goals for students' achievement. The LCAP was approved by the Board of Directors in during June 2023 for the adoption for the 2024 school year and is reviewed annually for updates.

Special Program:

All students at SVCS take part in our California World Language Program in Punjabi. Punjabi is an Indo-European Language that students learn for 30 -45 minutes every day in school. The World Language Program is intended to support the core curriculum in ELA, Mathematics and Science which is fully aligned with the Common Core and Next Generation Science content standards. According to the latest research, learning another language starting from Kindergarten develops students intellectually, emotionally and personally.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent Involvement

Parents are an integral part of student success. Sacramento Valley Charter School maintains a welcoming environment, from the front office to the classrooms. Prior to the opening of school in August, families are invited to meet their child's teacher, tour the school building, and meet other parents.

The Parent Teacher Organization (PTO) is present to greet parents and encourage them to become involved in school. As a school that busses students from four locations, the bus drivers greet parents and establish bus pick-up points. Parents are invited to attend field trips with their child's classroom. Throughout the year the PTO supports and sponsors activities to enrich the education of all students. Parents participate in a yearly survey, plan activities, support homework, attend parent teacher conferences and promote a positive school environment.

Parents and the school administration continually collaborate to plan educational support and enrichment activities to support student learning. Our Parent Teacher Organization (PTO) provides input to as we establish our LCAP priorities. In order to keep our attendance above average, we involve parents of chronically absent students by meeting with them to address these issues. Many parent volunteers assist with field trips, school assemblies, book fairs and activities to support classrooms. We invite you to get involved by attending a PTO meeting, following us on Facebook and visiting our website. We encourage parents to attend our board meetings and site council meetings to address any concerns they might have. Parent teacher conferences are held annually for all. Additionally, parents are invited to Award Assemblies, Spelling Bee contests, and several other events.

2023-24 School Safety Plan

A safe campus is crucial to effective learning. The Board of Directors reviews a Comprehensive School Safety Plan periodically. Annual reviews occurred on February 8, 2023.

Access to the school by members of the public is secured by fencing, video cameras and all visitors must be approved by administration. Visitors must also sign-in and wear a visible visitor pass at all times while on the school site. The office has an eight screen monitor of the premises inside of hallway, multi-purpose room and exterior of building.

The School safety plan has procedures for fire drill, earthquake, tornado, lockdown and health emergencies and all necessary telephone numbers are current. The plan is shared with the students, staff, parents and reviewed with Board of Directors. Each classroom has a direct phone line in case of emergencies or any other needs. A copy of the plan is kept in our administrative office. In each meeting, the school Board is updated about the School Safety.

There is a zero-tolerance bullying policy. Our students are respectful and considerate of others and live up to our school motto, Learn, Compete, Excel. We accept students all year and invite you to tell others about us and join our school community.
