11/15/2023 - Minimum Day
11/16/2023 and 11/17/2023 - Parent - Teacher Conferences (No Students)
11/20 - 11/24/2023 - Thanksgiving Break (No School)

Principal's Report 11/8/2023

Mobile Ed: DrumPERKS Assembly: Today, Elementary school Scholars attended an assembly presented by Mobile Ed on teamwork and respect. This anti-bullying assembly taught our scholars to feel the power of team-work as they will learn to practice best effort, respect and focus. DrumPerks is a high-energy total student engagement rhythm/percussion performance...Our scholars were very engaged by drumming and clapping along with the host, asking beautiful questions, and answering our guest's questions with great enthusiasm and care. The scholars learned what it is to respect their teachers, staff, fellow peers, and everyone else by attending this assembly.

Lunch & Learn with EDCOE SELPA at Lighthouse Charter - Dr.Singh, Gurpreet & Janelle McGee (Special Education Coordinator) attended a meeting organized by El Dorado SELPA. It was to make sure that as LEA's have access to networking resources. We are using the networks provided to arrange for occupational therapy and an ABA.

Halloween Parade 10/31/23 - Seeing halloween spirit around the SVCS was an amazing way for our scholars to bond. Each class was able to see what costumes other students wore. The halloween parade allowed them to show off their creative costumes.

Dr. Amrik Singh, Principal

Gurpreet Kaur, Director of Operations

BrainPOP PD 10/31/23- Our educators have been busy at work after the minimum day. They attended a professional development training sanctioned by BrainPop from 1:00pm-4:00pm. This training consisted of practicing using online training and resources.

T-mobile Phone Plan - There was a meeting with T-mobile today. We have gotten plan information from them for 8 iPhone SE's. The reason why it would be essential for our key staff to have these phones for work purposes is to meet daily needs of interacting with school related calls from state social workers and law enforcement. There are many alerts that administrative staff receive during the work hours and out of office hours that require immediate attention to secure students' information and address their safety concerns.

Staff Update: We have hired Sonia Reyes, a new bus driver/cafeteria worker. Surinder Bassi is our new math and science coach/teacher to replace N.S Kahlon who had resigned last year. Ramil C. will not be working with us any longer and we are looking for another 3rd grade instructional aide. We are continuing to look for a PE teacher, a 2nd grade instructional aide, 3rd grade instructional aide, Elementary Punjabi instructional aide and one middle school aide for social studies.
