Sacramento Valley Charter School Parent Newsletter

Dear Parents,

The time for the new school year is fast approaching. We are so excited to share information about our school via the newsletter, our website, and Facebook. SVCS has successfully completed eight years of its journey with many achievements. Some scholars who joined SVCS in 2011 as Kindergarteners will graduate as 8th graders in the new school year after completing 9 years of their education. It is going to be a very proud moment for us!

I take this opportunity to welcome new parents to our family. Their decision to entrust their scholars to us will go a long way in their future success. The core culture at SVCS is high expectations, rigorous curriculum with equal access to all, and individualized multi-levels support to aspiring scholars. We also provide our scholars with opportunities to excel in extra-curricular activities, to develop as leaders of tomorrow, and to learn through hands-on activities through participation field trips and creative projects.

SVCS has established enviable records of performance on state tests in 2018-19 and has earned a credible place among the best schools in the region. Thank you, parents, for partnering with us and supporting our team of excellent educators.

Dr. Amrik Singh, Principal

Teachers are Learners Too: Teachers are returning to school on August 7th for a two-day staff development. This year we are introducing automation, robotics and a new reading program that will expand our scholar's comprehension skills. English in a Flash by Renaissance, a program that was introduced just two years ago, has already proved its effectiveness and we are adding more resources to support our English learners. These programs have helped many EL students become advanced in English proficiency. Our partners at Washington Unified School District have continued to support our teachers through the induction program.

The New School Year is off to a Great Start: Dr. Singh continues to be the Principal for the 2019-20 school year. We have mailed all Smarter Balanced Test score reports. If you have any questions or concerns, please feel free to call the office at 916-596-6422. Ms. Allie McKoy, School Secretary, Mrs. Sukhdeep Kaur, Fiscal Clerk, and Mrs. Jagdeep Kaur, Office Support, will be very happy to answer your inquiries.
