

October 2, 2017 Vol. 4 Number 3
Dr. Amrik Singh, Principal

Sacramento Valley Charter School Parent Newsletter

Dear Parents,

Our sincere thanks to you for attending parent-teacher conferences last week. It will impact your child's achievements at this school. Sending your scholar to school every day, making sure they read 30 minutes aloud, and checking if they completed their homework are some of the steps that help build strong academic skills. The first trimester is ending on November 14; we will then mail report cards home. There are six weeks of instruction left and a lot of time to make up for the missed work and assignments. Scholars with high grade point averages can get Honor Roll and Principal Honor Roll besides Scholar of the Month and Teacher's Choice Award.

Dr. Amrik Singh, Principal

Parent Teacher Organization: The following officers have been elected to SVCS PTO for 2017-18 school year. President: Bimaldeep Gosal, Vice President: Poonam Dhaliwal, Secretary: Taylor Bloss, Treasurer: Baljit Bains, Committee Leaders: Daljit Ghuman, Parminder Dhady, Navneet Singh and Rajwant Janda.

Student Council: We noticed a great deal of enthusiasm in the Student Council election last month. Twenty-three students contested for the office of president, vice president, secretary and treasurer. It provides a platform in which to hone leadership skills.

Star Achievement: We are very excited to share this information with our parents and families. Based on Smarter Balanced Tests 2016-17, SVCS ranked among the two best schools in Washington Unified School District. It is a great achievement for our school. Thank you for working with us and sending your scholar to school regularly.

Diwali and Bandi Chhor Diwas: Happy Diwali and Bandi Chhor Diwas to you! Our Student Council will do Diwali Sale on October 12 during the recess time.

CANNED FOOD DRIVE: We participate in KCRA CAN FOOD DRIVE every year. It is a great contribution to community efforts in providing for the neediest in our society. It begins on October 16 and will continue until November 9, 2017.

Mad Science: We have arranged for the science program MAD SCIENCE to be offered afterschool. We will send home the sign-up information as soon as we receive it from the organization.

MATH NIGHT: We invite parents and families to SVCS Math Night on October 25, 6:00 -7:30 P.M. It is our schoolwide effort to strengthen our scholars' math skills.

Forces of Motion: This is a science assembly that will take place on October 16 in the Multipurpose Room, K-3, 1:15-2:00 and 4-8, 2:15-3:00 P.M.

Schoolwide Writing: Scholars will focus more on the narrative form of writing during the month of October. On October 26, all scholars will participate in writing assessment on the given topic.

The Sword in the Stone: Traveling Lantern is bringing this play to our school on October 30, 2:00-3:00 P.M.

Halloween Parade: SVCS will organize Halloween Parade on October 31, 10:00-11:00 A.M. Scholars can participate in the best costume contest on this day.
